DEOSCALE

ANTI-SCALE DOSING FLUID

**£26.50
+ VAT***

*Delivery charges apply.

DeoScale aids in controlling the build-up of limescale and prevents costly repair bills. It's essential in maintaining the efficiency and longevity of your bedpan washer disinfectant.

- Adaptable to local conditions
- Cleans & descales all in one
- Prevents water browning

DeoScale fluid is packed in 5-litre screw-top plastic containers.

The basic dosing facility can be fitted in the factory for new installations or added on-site and consists of:

- Metering pump
- Fluid carrier for a 5 litre container suitable for wall mounting
