

“

Vicon's knowledge base and support have allowed Pavion to increase our sales and customer base significantly.

”

“A huge THANK YOU to Vicon for the continued services you have provided Pavion for the last 25 years! Throughout our partnership with Vicon, Pavion has received everything from design support, to quotes, to delivery of products...and Vicon’s knowledge base and support have allowed us to increase our sales and customer base significantly. As always, Vicon exceeds industry standards and is leading the way with new integrations for security systems.”
