Ultra Aluminum™ | Ultra™ Louvered | Ultra™ Vinyl

Commercial & Residential

Three versatile styles of aluminum privacy screens—solid, louvered, and aluminum+vinyl

Ultra™ Privacy features style, strength and durability with a lifetime limited warranty.

Ultra Aluminum™ Privacy System shown here with 8" Ultra Column Wraps in Textured Bronze.

## Strong. Beautiful. Low Maintenance.

An all-aluminum, solid panel privacy fence with a Lifetime Limited Warranty.

You won't find many privacy panel systems with this amazing combination of attributes. Ultra Aluminum™ Privacy fence is offered in 6' wide by 4', 5' and 6' high sections. Manufactured with Ultra's high strength, aluminum alloy, this privacy screening is as strong as steel, but will never rust.

Ultra Aluminum™ Privacy panels have been tested to meet or exceed the worldwide standard of ASTM E330 Uniform Wind load testing standards as well as ASCE 7-10 Wind Loading Analysis for freestanding fence.

\*6'x6' section with applied wind gust for 3 seconds, when properly installed.

NOTE: All fastener OR foundation recommendation and installation of posts into building substrates are "beyond the scope of testing". See installation specs from the fastener/screw manufacturer.

## Privacy, with the Strength of Ultra Aluminum.

Ultra Aluminum™ Privacy features strength and durability that you just can't get from typical vinyl or wood fence systems. It's the ideal privacy panel for a commercial or industrial application, as patio or balcony screening, to contain or shield air conditioning equipment, dumpsters, pipes, and electrical systems. Ultra Aluminum™ Privacy won't rack and wobble. It is designed to last for years and years without the worry of ongoing maintenance.

Colors shown represent an approximate comparison and may vary slightly from actual color.  
 \*Premium Colors are available at an extra charge and may require additional lead times.  
 Ask your Ultra Representative for details.

Our advanced power coat finish meets AAMA 2604 allowing us to produce a high-quality, long-lasting finish.

# Privacy with Strength.

Aluminum frame+variegated vinyl inserts – architecturally appealing privacy fence with a Lifetime Warranty.

This beautiful new low-maintenance privacy fence combines the strength of extruded aluminum top, middle and bottom rails with rich variegated-color vinyl panel inserts.

Ultra™ Vinyl Privacy is offered in 8' wide by 6' high sections, with 3" or 4" posts. Ultra™ Vinyl Privacy comes in seven frame colors, and is designed to fit any standard 7/8" x 6" T&G vinyl board. Manufactured with our high strength, aluminum alloy, Ultra™ Vinyl Privacy panels are as strong as steel, but won't rust.

Ultra™ Vinyl Privacy 2-Rail System

Ultra™ Vinyl Privacy 3-Rail System

**Note:** The 3-Rail System is recommended for variegated and darker vinyl insert colors.

# Strong. Beautiful. Privacy with Breezy Airflow.

An all-aluminum privacy fence with welded louvers and a Lifetime Limited Warranty.

Ultra™ Louvered Privacy is the ideal privacy panel which still allows plenty of airflow. It has so many uses—a residential, commercial or industrial application, as patio or balcony screening, to contain or shield air conditioning equipment, dumpsters, pipes, and electrical systems. Ultra™ Louvered Privacy screening won't rack and wobble. It is designed to last for years and years without the worry of ongoing maintenance.

Ultra™ Louvered Privacy panels are offered in 6' wide by 4', 5' and 6' high sections and provides 145 degrees of 100% visual privacy block at a level site line. Manufactured with Ultra's high strength, aluminum alloy, Ultra™ Louvered Privacy panels are as strong as steel, but will never rust.

Ultra Aluminum™ | Ultra™ Louvered | Ultra™ Vinyl

## Gloss or Textured Finishes

Our advanced powder coat finish allows us to produce a high-quality, long-lasting finish on our aluminum, which is also environmentally friendly. Ultra's powder coated finish is AAMA 2604 specifications, allowing us to produce a high-quality, long-lasting finish.

## Materials

Ultra's high strength, aluminum alloy is as strong as steel, but will never rust. Our 6005-T5 alloy has a minimum strength of 35,000 psi.

## Ultra Aluminum™ Warranty

Ultra Aluminum™ fence products are guaranteed against defects in workmanship and/or materials. The powder coat finish on all fencing by Ultra Aluminum™ is guaranteed for life against cracking, peeling or chipping. Visit our website for more information and a copy of the warranty.

## Environmentally Responsible

We are proud to use recycled aluminum in our products. Aluminum is the most commonly recycled metal in the world. Our powder coating process is environmentally friendly and virtually pollution-free.

Ultra Aluminum™ and Ultra™ Louvered Privacy Panels can all be configured with single or double gates, providing controlled access along with privacy—for all residential, commercial or industrial applications.

## Design like a Pro with the Ultra Aluminum™ Online Design Studio

We make it easy to visualize the dramatic difference our ornamental fencing, and gates can make to your home. Choose from our wide selection of styles, then accessorize with colors, post caps, picket tops and other designer accents.

### Exclusive Ultra Aluminum™ Online Fence Estimator Tool

1. Choose your design,
2. Build it online and
3. Create an exact materials list.
