

Ultra Aluminum™ Privacy is as strong as steel, but will never rust, and is supported with Ultra's Limited Warranty.

Design like a Pro with the Ultra Aluminum Online Design Studio™

The Ultra Aluminum Fencing Design Studio™ makes it easy to visualize the dramatic difference Ultra™ ornamental fencing can make to your home. Choose from our wide selection of styles, accessorize with colors, post caps, picket tops and other designer accents, then create an exact materials list of your project.

Environmentally Responsible

We are proud to use recycled aluminum in our products. Aluminum is the most commonly recycled metal in the world. Our powder coating process is environmentally friendly and virtually pollution-free.

Ultra Aluminum™ Warranty

Ultra Aluminum fence and railing products are guaranteed against defects in workmanship and/or materials. The exclusive powder coat finish on all fencing and railing by Ultra Aluminum is guaranteed against cracking, peeling or chipping. Visit our website for more information.

Privacy Fencing now comes in extra-strength aluminum.

Ultra Aluminum™ Privacy

Colors shown represent an approximate comparison and may vary slightly from actual color. Premium Colors are available at an extra charge and may require additional lead times. Ask your Ultra Representative for details.

The Ultra™ Advantage

The biggest advantage to an Ultra Aluminum™ product is its maintenance-free characteristics. Unlike steel or wrought iron, our products won't rust, and our powder coat finish is guaranteed. And strength is never compromised with an Ultra product. Its high strength, aluminum alloy is as strong as steel and has been tested to withstand hurricane wind gusts up to 259 mph.

Ultra Aluminum™ Privacy

Ultra Aluminum™ Privacy System shown here with 8" Ultra Column Wraps in Textured Bronze.

Privacy with strength

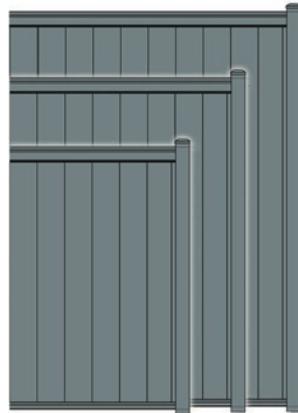

Ultra Aluminum™ Privacy screening features strength and durability that you just can't get from a typical vinyl or wood railing systems.

It's the ideal privacy panel for a residential, commercial or industrial application, to contain or shield air conditioning equipment, dumpsters, pipes, and electrical systems.

Ultra Aluminum™ Privacy screening won't rack and wobble. It is designed to last for years without the worry of ongoing maintenance.

Ultra Aluminum™ Privacy Panels come in 6' Sections, in 4', 5' or 6' height.

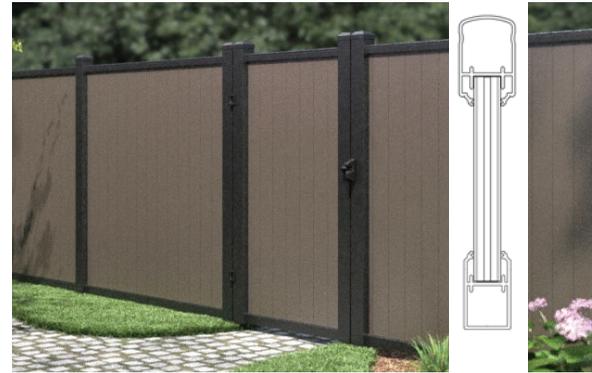

Consists of:
¾" x 5" x .080 T&G Boards, 3" or 4" square posts, caps and top and bottom rails.

You won't find many privacy railing panel systems with this amazing combination of attributes. You can't get it with wood, vinyl or steel. It must be Ultra Aluminum™ fencing.

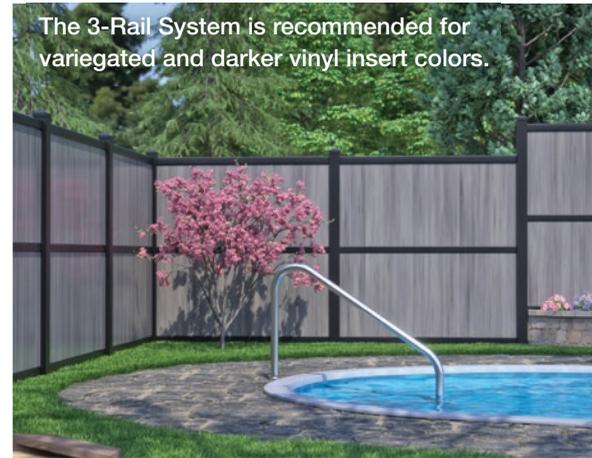

Ultra™ Vinyl Privacy Aluminum+Vinyl

Aluminum frame+variegated vinyl inserts—architecturally appealing privacy fence with a Limited Warranty.

This beautiful new low-maintenance privacy fence combines the strength of extruded aluminum top, middle and bottom rails to be combined with rich solid or variegated-color vinyl panel inserts.

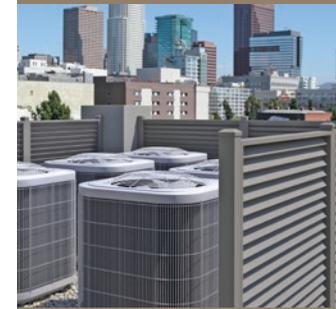

The 3-Rail System is recommended for variegated and darker vinyl insert colors.

The Ultra™ Vinyl Privacy posts and rails system is offered in 8' wide by 6' high sections, with 3" or 4" posts. Ultra™ Vinyl Privacy comes in four Standard and one Premium frame colors, and is designed to fit any standard 7/8" x 6" T&G vinyl board.

Ultra™ Louvered Privacy by Ultra Aluminum™

An all-aluminum privacy fence With welded louvers—for strong, beautiful privacy. **All with a breezy airflow.**

Ultra™ Louvered Privacy is the ideal privacy panel which still allows plenty of airflow. Whether it's a residential, industrial, or commercial application, Ultra™ Louvered Privacy provides 145 degrees of 100% visual privacy block at a level site line.

Panels are offered in 6' wide by 4', 5' and 6' high sections. Manufactured with Ultrum™ alloy, Ultra™ Louvered Privacy panels are as strong as steel, but will never rust.
