# *THINSCAPE® PERFORMANCE TOPS*

## **2023 COLLECTION**

THINSCAPE® is the ultimate countertop solution that performs in any environment at a reasonable price point. Introduce high-end looks into your space with new designs that are easy to fabricate, easy to install, and hard to ignore. Sleek and European-inspired. Elegant and practical. Virtually maintenance-free, impact resistant, stain resistant, and cleanable. Innovative engineering makes it easy to outsmart other countertops in style.

The modern beauty of THINSCAPE® is matched only by its performance. Enjoy your space more with an incredibly durable slab material that can withstand impacts, stains, water, and scratches more than comparable materials. Plus, THINSCAPE® is non-porous and never needs to be sealed.

## NEW 2023 COLLECTION

## MODERN, HIGH-END DESIGN

European-inspired sleekness is matched with lightly textured sheens that elevate any environment. The THINSCAPE® catalog is inspired by statement stones, aged metal, and more to complement thinner cabinet profiles.

## INCREDIBLY STRONG

THINSCAPE® can be installed in any environment as an extremely durable slab material that is heat resistant and withstands impacts, abrasions, and scratches.

## EASY TO MAINTAIN

Highly cleanable, stain resistant, and no sealing required — ever. Just use a household cleaner or wipe down with soap and water.

## SUSTAINABLE

THINSCAPE® has received a Declare label from the International Living Future Institute and meets GREENGUARD Gold Certification's chemical emission limits. Available in four sizes, providing better yield and less waste.

## EASY TO FABRICATE

Fabricated with simple woodworking tools and doesn't crack or chip during the process. Domestically produced and readily available.
