

LUXURY BY DESIGN.

THE LUJO® COLLECTION

The LUJO® Collection from Wilsonart® TFL embodies the definition of luxury woodgrains. Translated from the Spanish word for “luxurious or comfortable surroundings,” LUJO® is the highest standard for nature-inspired design in residential, resimercial, and commercial environments. The latest release adds 14 oak and walnut designs, all of which open doors for coordinated design with cabinets/casegoods, cabinet interiors, and closet systems. New styles are complemented by our Gloss Line finish and the exclusive Timbergrain and Ridgewood finishes for design possibilities that render the viewer speechless — and help any space speak for itself.

SOPHISTICATED STYLES. PRESTIGIOUS POSSIBILITIES.

New designs from The LUJO® Collection reflect neo-nature design, or the idea that clean modernism should be guided by wood looks, natural textures, and indoor/outdoor living. Featured tones like Quiet Whites, Golden Blondes, Forest Browns, and Earthy Black are defined by minimal movement that elevates deep-textured, matte woodgrain designs.
