COORDINATED SOLUTIONS

Best-matched coordinated design + texture in engineered surfaces from Wilsonart.

EASY TO MAINTAIN

Stain and moisture resistance makes everyday cleaning simple with a damp sponge.

VALUE CONSCIOUS

Create the personal, luxury look with the classic, neutral styles you want without a luxury price tag.

ECO-FRIENDLY

Certified UL GREENGUARD Gold for indoor air quality and peace of mind. FSC® solutions available upon request. Manufactured in USA.

INNER BEAUTY THAT LASTS.

Wilsonart® Interiors perform beautifully in both residential and commercial spaces. From cabinets and closet systems to storage cubbies and open shelving, Wilsonart® TFL Panels transform applications from functional to desirable.

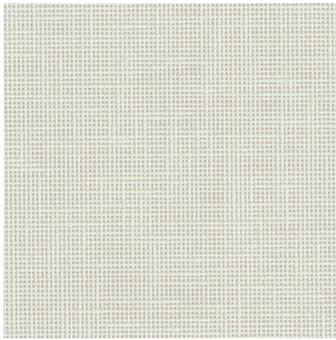

WHAT MAKES THE INTERIORS COLLECTION UNIQUE?

- Wilsonart® Interiors coordinate with The LUJO® Collection from Wilsonart® TFL. The LUJO® Collection includes rich, authentic woodgrains that bring the tactile qualities of nature to indoor spaces.
- The Matte Finish and Fine Velvet Texture Finish included with Wilsonart® Interiors complement premium textures from the LUJO® Collection.
- The exclusive Leno Weave is also available, offering a more premium look for any application. Random intersecting horizontal and vertical lines create a geometric weave with a matte-gloss finish.

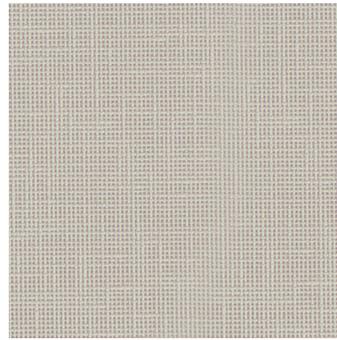

Open the door to color and style.

Designs from Wilsonart® Interiors feature three collections of sophisticated linen and textile patterns. The Linen Collection is a clean, luxe take on natural linen fabric, exhibiting a crisp warp and weft with neutral tones.

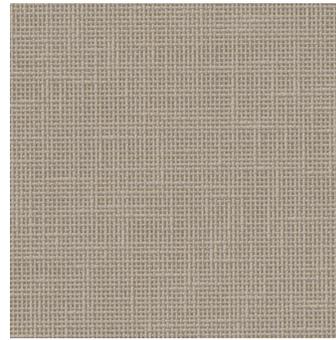

The Tabby Collection includes casual fiber looks in a simple weave with distinctive organic features that exude a sense of comfort. And the Tessere Collection presents raw, slubby weave structures inspired by high-end textiles with a soft, sophisticated warp and weft.
