

WILSONART® QUARTZ

2023 LAUNCH

CAPTURE IMAGINATIONS. UNLEASH PERFORMANCE.

The latest from Wilsonart® Quartz has arrived with design possibilities that will capture your imagination. Every style is engineered to unleash remarkable performance in your space. Experience a natural matte finish, updated soapstone and marble looks, and new selections added to the Select and Calacatta Collections. Transcend your aspirations for dynamic luxury with ten new designs. Statement stones, everyday elegance, and visceral beauty. It's all curated — and all possible — with Wilsonart® Quartz.

LIVABLE LUXURY THAT LASTS.

Quartz is one of the strongest materials on Earth. Wilsonart's latest introductions to the Quartz line elevate any space with the power of innovative engineering and the promise of lasting luxury.

ON-TREND AND IN STYLE

Abundant and elegant designs for any space.

EASY TO MAINTAIN

Simple cleanup with soap and water maintains brilliance.

DURABLE

Highly resistant to abrasions, scratches, cracks, and chips.

STAIN RESISTANT

Non-porous, so it won't absorb liquid. No sealing required.

SUSTAINABLE

Declare label recipient and Red List Free as a solution that supports human and environmental health. UL GREENGUARD Gold Certified.

It's only natural.

Snow resting on frigid branches. Ethereal clouds on the sea horizon. The new collection from Wilsonart® Quartz reflects exquisite scenes of nature like never before. Because one of the strongest materials on Earth should be inspired by Earth, too.
