## WILSONART WOODGRAINS ARE THE SMARTER ALTERNATIVE TO VENEER

Wilsonart Woodgrains offer a more durable and affordable product with all the best species, stains and cuts that resemble real wood. Our most popular species are all in-stock with on-demand ready to ship in 21 days, and custom options ready to ship within 28 days from one of our strategically located North American facilities.

### CLASSIC SPECIES IN-STOCK

Wilsonart® has the largest line of woodgrains with 40+ species, including timeless classics, like Oak, Walnut and Cherry.

## CUSTOM STAINING

7 stain options

With Wilsonart Woodgrains, you can choose your stain—just like veneer. But the results are an exact panel-to-panel match across all your surfaces, unlike veneer which can have color variation. Your product arrives ready to install with no on-site staining for a more timely and cost-efficient installation.
