

THE SLIDING DOOR COMPANY

The Sliding Door Company manufactures interior glass door solutions for the home and office and provides them factory direct to you. Through our many showrooms throughout North America, we have become the industry trendsetter in fabricating beautiful glass doors, room dividers, barn doors, swing doors, bi-fold doors, and more. We attribute our stable growth to our high standards of quality, service, and the contribution by our innovative, creative team.

Our Motto

Safety you can trust. Quality always.

Our Goal

Since 2005, our objective has always been to provide inspiring, state-of-the-art, interior doors that are functional and optimize the available floor space.

We solve space planning challenges and turn your dreams into reality. We continue to aim to earn your trust through our products, top notch customer service, and building to your specific project's requirements every step of the way.

Our Promise

To build interior door solutions specifically to meet your project's requirements.

- Winston Churchill

SMART TRACKS

Interlocking smart tracks allow for a variety of configurations and can be installed on top of flooring, with ramps, or recessed.

Ramped

Regular

Recessed

PATENTED DESIGN

WHEEL-TO-TRACK

Our patented safety Wheel-To-Track locking mechanism features a unique sliding clamp device that ensures panels will not leave the tracks.

SMART SHUT SYSTEM

The 3S Smart Shut System is a slam-proof damper that eases doors to a stop on our track and suspended systems.
