Curated Collections of Unmatchable Colors

Benjamin Moore Classics® Legacy colors that stand the test of time. Classic yet contemporary, this wide-ranging collection of go-to hues is a foundational part of the Benjamin Moore legacy. 1,680 Colors	Color Preview® Expressive colors across the spectrum. A balanced collection that provides gradations of color mathematically arranged by hue and value, with vibrant shades and subtle hues. 1,232 Colors	Color Stories® Unique colors that respond beautifully to light. A series of striking hues, both bold and soft, crafted to take on different appearances as the light changes. The omission of black or gray colorants results in a more nuanced approach to color. 240 Colors
Off Whites All the subtleties of white paint color in one place. The ultimate collection of white and off-white paint colors gleaned from our long history and compiled from several collections. 152 Colors	Historical Rooted in history, iconic today. Time-honored colors inspired by American history and its rich architectural tradition. 191 Colors	Affinity® Colors designed to live together. Colors meticulously curated to complement one another, no matter what colors are chosen. 144 Colors
Designer Classics A thoughtful edit of comfortable and refined colors. An elegant selection of popular hues from different collections, plus a handful of unique colors. 231 Colors	Williamsburg® The authentic colors of Colonial Williamsburg. A diverse collection of historic colors rooted in the artifacts and homes of Colonial Williamsburg, seen through a contemporary lens. 144 Colors	NEED SWATCHES? Complimentary swatches are available to all A&D professionals across North America. Visit benjaminmoore.com to learn more.
