Manufacturing Quality Products Since 1936

Salsbury Industries has excelled in manufacturing and distributing quality products for nearly 100 years. Our vertically integrated manufacturing and distribution facilities and our ISO 9001: 2015 Quality Management System allow us to effectively and efficiently produce components that are carefully manufactured, assembled, inspected, packaged and shipped to our valued customers. Our products are shipped from our manufacturing facilities and distribution centers in Los Angeles and Carson, California. Whether you are around the corner or around the world, most orders ship from our large inventory within 1 to 2 days of receipt.

Salsbury Industries maintains a successful

600,000 Square Feet of Man

Quality System

Salsbury Industries manufacturing facilities are ISO 9001: 2015 certified. ISO 9001: 2015 is an internationally recognized Quality Management System that requires a company to continually improve the effectiveness of its processes for the purposes of enhancing customer satisfaction.

Large Inventory

Powder Coating Paint Line

recycling program that ensures the proper reuse and reprocessing of our aluminum, steel, powder paint and corrugated materials.

Manufacturing and Distribution Facilities

Design Assistance

Our design engineers and sales professionals are available to guide you through the process of designing a locker room and selecting the appropriate lockers for your application. Visit the informative architectural resources section of our website at: www.lockers.com/architectural-resources to download product information, 3D Revit/BIM models, Augmented Reality (AR) models, detailed specifications, technical drawings and installation instructions. You can also submit required layout and options for a price quotation.

12" Wide Standard Lockers Single Tier

12" WIDE SINGLE TIER STANDARD LOCKERS 5' HIGH AND 6' HIGH

Constructed of 16 gauge steel, Salsbury 61000 series 12" wide single tier standard lockers offer privacy and space for personal storage needs. 12" wide single tier standard lockers are available in a gray, tan or blue powder coated finish and as unassembled or assembled units. These durable lockers are available in heights of five (5) feet and six (6) feet (add 6" for legs) and depths of 12", 15" and 18". One wide lockers are 12" wide and three (3) wide lockers are 36" wide regardless of height and depth. 12" wide single tier standard lockers feature an adjustable hat shelf, three (3) single wall hooks and a double prong ceiling hook. The 18" deep lockers include a coat rod that can accommodate garments. Sloping hoods, finished end panels, end bases, front bases, compartment shelves, fillers and lockers without legs are available as options upon request - see all metal locker options and locks on pages 34-35.

**Current Pricing and Volume Discounts
Available at Lockers.com!**

METAL LOCKER OPTIONS

Note: Optional sloping hoods, finished end panels, end bases and front bases are sold separately.

Single tier standard lockers feature an adjustable hat shelf, three (3) single wall hooks and a double prong ceiling hook. The 18" deep lockers include a coat rod that can accommodate garments.

Single tier standard lockers feature a lift up handle and recessed hasp for added security and can accommodate a built-in lock (#77710 for combination, #77715 for key and #77795 for a factory installed resettable combination lock) and padlock (#77720 for combination and #77725 for key).

Note: It is recommended that all lockers be wall and/or floor anchored.

12" WIDE SEE-THROUGH LOCKERS 5' HIGH AND 6' HIGH SINGLE TIER, DOUBLE TIER, TRIPLE TIER, FOUR TIER AND BOX STYLE

Constructed of 16 gauge steel, Salsbury 12" wide see-through lockers are available in single tier, double tier, triple tier, four tier and box style and are available in heights of five (5) feet and six (6) feet (add 6" for legs). These lockers feature polycarbonate see-through door panels that provide maximum visibility. See-through lockers meet the growing need for lockers in industrial, retail, recreational and office facilities where a view of the locker contents is desired. These durable see-through lockers are available in one wide and three (3) wide units and 12", 15" and 18" depths. 12" wide see-through lockers are available in a gray, tan or blue powder coated finish and as unassembled or assembled units. 12" wide see-through lockers include an adjustable hat shelf, three (3) single wall hooks and a double prong ceiling hook. The 18" deep single tier see-through lockers also include a coat rod that can accommodate full length garments. Sloping hoods, finished end panels, end bases, front bases, compartment shelves, fillers and lockers without legs are available as options upon request – see all metal locker options and locks on pages 34-35 and online at lockers.com.

LOCKER FILLERS

Salsbury locker fillers are an ideal option for locker installations that encounter obstructions such as pipes, columns and other obstacles. Corner and in-line top fillers overlap the existing locker tops and are easily attached with hardware (included) providing a finished look to the locker installation. Vertical front fillers include a wall angle slip joint that conceals uneven edges and provides a professional appearance to the locker installation. Locker fillers can be easily field cut for custom installations.

Locker installation with flat tops

Locker installation with sloping hoods

TOP FILLERS - CORNER

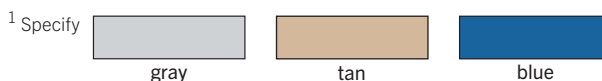

MODEL	DESCRIPTION	WEIGHT
77832 ¹	Flat top filler - corner - for 12" deep lockers	2 lbs.

12" Wide Premier Lockers Single Tier & Double Tier

12" WIDE PREMIER WOOD LOCKERS SINGLE TIER AND DOUBLE TIER

For those looking to enhance the look of their locker room, our premier wood lockers are designed to bring a sense of luxury and functionality to any facility. Constructed of high-pressure premium laminate and industrial grade particle board, the Salsbury 41000 and 42000 series 12" wide single tier and double tier premier wood lockers offer ample space for personal storage needs and are ideal for settings requiring contemporary designs and finishes. These spacious 12" wide premier wood lockers feature a decorative laminate finish that is stain and scratch resistant and available in arctic white, winter fog, carbon mesh, silver teak, red oak and skyline walnut premium finishes. 12" wide premier lockers come in 15", 18" and 21" depths and feature matching edge banding around the doors and front frames. Optional matching laminated sloping hoods and side panels easily attach to 12" wide premier lockers and provide a finished look to an individual locker or a row of lockers. 12" wide premier lockers include a 4" high black base and measure six (6) feet high (add 4" for the base). All locker doors are 12" W x 3/4" D and include a black name / number plate (custom engraving #44460 is available as an option upon request). All locker doors also feature European soft-close hinges with opening angles of 110 degrees and include decorative hasps for padlocks, resettable combination locks or electronic locks. One wide premier lockers are available as fully assembled units only. Three (3) wide premier lockers are also available as fully assembled units only and require minor assembly - see all premier locker options and locks on pages 48-49.

12" Wide Premier Lockers

Triple Tier, Four Tier & Box Style

12" WIDE PREMIER WOOD LOCKERS TRIPLE TIER, FOUR TIER AND BOX STYLE

For those looking to enhance the look of their locker room, our premier wood lockers are designed to bring a sense of luxury and functionality to any facility. Constructed of high-pressure premium laminate and industrial grade particle board, the Salsbury 43000, 44000 and 46000 series 12" wide triple tier, four tier and box style premier wood lockers offer ample space for personal storage needs and are ideal for settings requiring contemporary designs and finishes. These spacious 12" wide premier wood lockers feature a decorative laminate finish that is stain and scratch resistant available in arctic white, winter fog, carbon mesh, silver teak, red oak and skyline walnut premium finishes. 12" wide premier lockers come in 15", 18" and 21" depths and feature matching edge banding around the doors and front frames. Optional matching laminated sloping hoods and side panels easily attach to 12" wide premier lockers and provide a finished look to an individual locker or a row of lockers. 12" wide premier wood lockers include a 4" high black base and measure six (6) feet high (add 4" for the base). All locker doors are 12" W x 3/4" D and include a black name / number plate (custom engraving #44460 is available as an option upon request). All locker doors also feature European soft-close hinges with opening angles of 110 degrees and include decorative hasps for padlocks, resettable combination locks or electronic locks. One wide premier lockers are available as fully assembled units only. Three (3) wide premier lockers are also available as fully assembled units only and require minor assembly - see all premier locker options and locks on pages 48-49.

LOCKER FILLERS

Salsbury locker fillers are an ideal option for locker installations that encounter obstructions such as pipes, columns and other obstacles. Corner and in-line fillers overlay gaps between the existing locker tops and are easily attached providing a finished look to the locker installation. Vertical front fillers provide a professional appearance to the locker installation. Locker fillers can be easily field cut for custom installations.

12" Wide Designer Lockers Single Tier & Double Tier

12" WIDE DESIGNER WOOD LOCKERS SINGLE TIER, DOUBLE TIER AND DOUBLE TIER "S" STYLE

Constructed of industrial grade particleboard and covered with durable high pressure laminate, Salsbury 31000 and 32000 series 12" wide single tier and double tier designer wood lockers are ideal for settings where a professional environment is desired. 12" wide designer wood lockers feature a gray, blue, black, maple, cherry or mahogany finish and are available in 15", 18" and 21" depths. 12" wide designer wood lockers are available in six (6) feet high and include a 4" high black base (add 4" for the base). Optional matching laminated sloping hoods and side panels easily attach to designer lockers and provide a finished look to an individual locker or a row of lockers. All locker doors are 12" W x 3/4" D and include a black name / number plate (custom engraving #33360 is available as an option upon request). All locker doors also include heavy duty concealed hinges and a lift up handle and recessed hasp for added security – built-in locks (#33310 for combination and #33315 for key), padlocks (#33320 for combination and #33325 for key), electronic locks (#33390) and resettable combination locks (#33395) are available as options upon request. One wide designer lockers are available as fully assembled units only. Three (3) wide designer lockers are also available as fully assembled units only and require minor assembly - see all designer locker options and locks on pages 62-63.

DESIGNER LOCKER OPTIONS

SLOPING HOOD

SIDE PANEL

Note: Optional sloping hoods and side panels are sold separately.

Each single tier designer locker compartment includes a full-depth hat shelf, an 11-3/4" deep shoe shelf, a 5" deep shelf and a double prong ceiling hook.

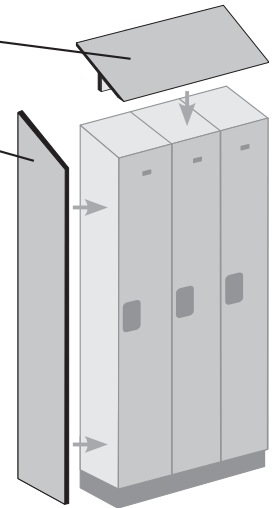

Each double tier designer locker compartment includes a 5" deep shelf and a double prong ceiling hook.

Compartment sizes:

- 10-3/4" W for all lockers
- 70-1/2" H for single tier lockers
- 34-3/4" H for double tier lockers
- 40-3/4" H for "S" style lockers (on one side)
- 13-3/4" D for 15" deep lockers
- 16-3/4" D for 18" deep lockers
- 19-3/4" D for 21" deep lockers

Note: It is recommended that all lockers be wall and/or floor anchored.

18" Wide Designer Lockers

Triple Tier & Four Tier

18" WIDE DESIGNER WOOD LOCKERS TRIPLE TIER AND FOUR TIER

Constructed of industrial grade particleboard and covered with durable high pressure laminate, Salsbury 18-23000 and 18-24000 series 18" wide triple tier and four tier designer wood lockers offer ample space for personal storage needs and are ideal for settings where a professional environment is desired. These spacious 18" wide designer wood lockers feature a gray, blue, black, maple, cherry or mahogany finish and are available in 18", 21" and 24" depths. Optional matching laminated sloping hoods and side panels easily attach to 18" wide designer lockers and provide a finished look to an individual locker or a row of lockers. 18" wide designer wood lockers include a 4" high black base and measure six (6) feet high (add 4" for the base). All locker doors are 18" W x 3/4" D and include a black name / number plate (custom engraving #33360 is available as an option upon request). All locker doors also include heavy duty concealed hinges and a lift up handle and recessed hasp for added security – built-in locks (#33310 for combination and #33315 for key), padlocks (#33320 for combination and #33325 for key), electronic locks (#33390) and resettable combination locks (#33395) are available as options upon request. One wide designer lockers are available as fully assembled units only. Three (3) wide designer lockers are also available as fully assembled units only and require minor assembly - see all designer locker options and locks on pages 62-63.

DESIGNER LOCKER OPTIONS

SLOPING HOOD

SIDE PANEL

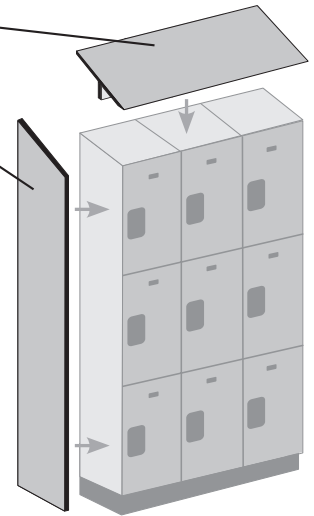

Note: Optional sloping hoods and side panels are sold separately.

Each **triple tier designer** locker compartment includes a 5" deep shelf and a double prong ceiling hook.

Each **four tier designer** locker compartment is unobstructed for maximum storage space.

Compartment sizes:

- 16-3/4" W for all lockers
- 22-3/4" H for triple tier lockers
- 17" H for four tier lockers
- 16-3/4" D for 18" deep lockers
- 19-3/4" D for 21" deep lockers
- 22-3/4" D for 24" deep lockers

(Triple Tier Displayed)

Note: It is recommended that all lockers be wall and/or floor anchored.

LOCKER FILLERS

Salsbury locker fillers are an ideal option for locker installations that encounter obstructions such as pipes, columns and other obstacles. Corner and in-line fillers overlay gaps between the existing locker tops and are easily attached providing a finished look to the locker installation. Vertical front fillers provide a professional appearance to the locker installation. Locker fillers can be easily field cut for custom installations.

Custom Designer Lockers

CUSTOM DESIGNER WOOD LOCKERS

Constructed of industrial grade particleboard and covered with durable high pressure laminate, Salsbury 3000C series custom designer lockers are ideal for settings where a professional environment is desired. Available in sizes ranging from one to seven (7) tiers, custom designer lockers can be ordered in any combination of five (5) heights (36", 48", 60", 72" and 84"), five (5) widths (12", 15", 18", 21" and 24") and five (5) depths (12", 15", 18", 21" and 24"). Custom designer lockers are also available in six (6) standard designer colors (gray, blue, black, maple, cherry and mahogany). A wide variety of custom plastic laminate colors are available as an option upon request on a minimum order of fifteen (15) frames - visit www.lockers.com/customdesignerlockers for color chart. Custom designer lockers are modular allowing for a mixture of configurations. Optional matching laminated sloping hoods and side panels easily attach to custom designer lockers and provide a finished look to an individual locker or a row of lockers. Custom designer lockers include a 4" high black base. All locker doors are 3/4" deep and include a black name / number plate (custom engraving #33360 is available as an option upon request). All locker doors also include heavy duty concealed hinges and a lift up handle and recessed hasp for added security – see lock options below. Custom designer lockers are available as fully assembled units only and require minor assembly - see optional fillers on page 63. To obtain a price quotation, follow the 5 easy steps on page 69.

SLOPING HOOD (#33351C)

Prevents items from being stored on top of locker.

CREATE YOUR CUSTOM DESIGNER LOCKER IN 5 EASY STEPS!

(Note: Minimum order of fifteen (15) frames)

STEP 1: Specify # of Tiers

(Locker frames shown without front door(s) - interior compartments can be customized upon request)

STEP 2: Specify Overall Height, Width and Depth

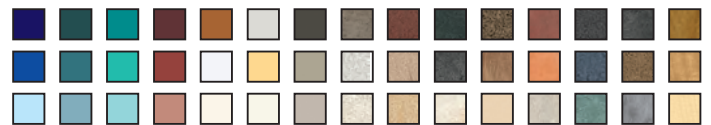

HEIGHT					WIDTH					DEPTH				
36"	48"	60"	72"	84"	12"	15"	18"	21"	24"	12"	15"	18"	21"	24"

STEP 3: Specify Standard or Custom Color

STANDARD COLORS – IN STOCK (Allow 1-2 weeks for delivery)

CUSTOM COLORS – 25% UPCHARGE (Minimum fifteen (15) frames – Allow 4-6 weeks for delivery)

For all custom colors available, visit www.lockers.com/customdesignerlockers

STEP 4: Specify Options

- Sloping hoods
- Side panels
- Ventilation grills
- Additional shelves
- Lockable interior compartments
- Custom engraved name/number plates
- Coat rods
- Locks

See all custom designer options and locks on page 68.

STEP 5: Submit for Price Quotation

E-mail, fax or mail your custom designer locker information and quantities from steps 1 through 4 to:

E-mail: customlockers@lockers.com
 Fax: 1.800.562.5399

Mail: **Salsbury Industries**
 Attn: Estimating Department
 18300 Central Avenue
 Carson, CA 90746-4008

WE WILL REVIEW THE DETAILS AND PROVIDE A PRICE QUOTATION AND LAYOUT!

DESIGN ASSISTANCE

Our design engineers are available to architects, specification writers and individuals involved in the design of locker facilities. Our custom designer lockers are custom built for colleges and schools, country clubs, fitness centers, spas and recreational facilities. Submit required layout and options for design assistance and a price quotation!

Locker Benches Aluminum and Wood

ALUMINUM AND WOOD LOCKER BENCHES

Salsbury locker benches combine a traditional look with strength and durability. Designed for interior use, Salsbury locker benches come in aluminum and wood styles and are an excellent addition to industrial, office or recreational locker room facilities. Both the aluminum and wood locker benches are available in six (6) lengths ranging from 36" to 96" in one foot increments and are easily assembled. The seating area is 1-1/4" thick and each bench is 18" H and includes two (2) 3" diameter bolt mounted aluminum pedestals with four (4) mounting holes to secure to the ground. Aluminum benches are 10" D and wood benches are 9-1/2" D. The seating area for the wood locker benches is constructed of an attractive butcher block wood that is available in a light or dark finish. Salsbury aluminum and wood ADA locker benches with back supports can be placed in an open area while those without back supports are designed to be installed flush against the wall. Each seating area meets ADA requirements, and all benches include bolt mounted pedestals with mounting holes to secure to the ground. The seating area is 1-3/4" thick, 20" deep, 42" or 48" wide and 18" high. ADA locker benches are available in two (2) configurations, one with back support (39" high) and one without back support (18" high). Minor assembly is required.

Cell Phone Lockers

options and locks on page 78

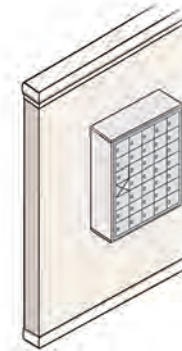

CELL PHONE LOCKERS

Made entirely of aluminum, Salsbury 19100 series cell phone lockers with front access panels are ideal for use in health clubs, government facilities, office buildings, schools and other settings where small personal items need to be stored safely and securely. Cell phone lockers can be surface mounted or recessed mounted and accommodate cell phones, tablet PC's, wallets, cameras, keys and other small valuable items. Cell phone lockers come in seven (7) door and five (5) door high units and feature a durable powder coated finish available in three (3) contemporary colors. Cell phone lockers come in configurations with standard A doors (6-1/2" W x 5-1/4" H) and larger B doors (13" W x 5-1/4" H) and each cell phone locker door includes a 2" W x 5/8" H clear plastic cardholder (card included) to identify the compartment. Cell phone locker compartments are 8" deep and feature master keyed locks or resettable combination locks. Master keyed locks include three (3) keys and allow access to all compartments with a master control key (#19991). Resettable combination locks can be set to a fixed combination or a combination that can be reset after each use. Custom engraved placards (#19967) and custom door engraving (#19968 - regular and #19962 - black filled) are available as options upon request. See cell phone locker options and locks on page 78.

CELL PHONE LOCKER SAMPLE INSTALLATIONS

SURFACE MOUNTED

Model displayed:
(1) 19178-35

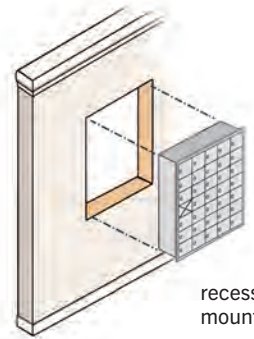

surface mounted

Surface mounted units mount directly to a flat surface and are secured with mounting hardware (not included) through the back panel.

RECESSED MOUNTED

Model displayed:
(1) 19178-35

recessed mounted

Recessed mounted units fit into a rough opening and are secured with mounting hardware (not included) through the back or side panels. Recessed mounted units feature a fully integrated flanged collar which fits over the rough opening.

**Current Pricing
Available at [Lockers.com!](http://Lockers.com)**

Note: The rough opening for recessed mounted cell phone lockers is 2-1/4" less than the surface mounted unit's width, 2-1/4" less than the unit's height and equal to the unit's depth.
