Additional Products

Enhance Your Exam Room

LED Exam Lights

High-performance LED exam lights available in caster base, floor stand, or chair-mounted options. Designed for optimal illumination, long life, and minimal heat output to enhance your clinical workspace.

ADA Compliant Transfer Supports

Our new ADA Compliant transfer support is light weight, lower cost, and built to work with our G2 exam chair models. We also offer our ADA Compliant Adjustable bed rail for enhanced security during procedures.

Stools & Side Chairs

Our stools and side/guest chairs are designed to complement your MTI exam chairs and enhance comfort. Available in multiple styles, they can be upholstered to match your space and create a cohesive, professional environment.

MTC Series Treatment Cabinet

Our MTC Series Treatment Cabinet combines durable construction, efficient storage, and a clean, modern design to support seamless workflow in today's healthcare environments.
