**KALDEWEI**

## The new whirl systems from KALDEWEI

**Your relaxation:** From a vigorous body massage after doing sport to weightless floating in illuminated water – you decide what kind of wellness you need, depending on how you feel on the day. There are no limits to your relaxation with our various water and air systems.

**Just feel:** You will feel the soothing aqua or air massage and hear the gentle rushing and bubbling of the water. Thanks to their silent operation, the KALDEWEI whirl systems are very quiet and allow complete relaxation.

**Clean straight away:** Safe hygiene also for the next bath, because everything is quickly cleaned again. Our simple automatic cleaning and the sensor-controlled blow-dry function ensure that you remain relaxed even after the whirl session.

**Relax naturally:** Enjoy the whirl experience in your bathtub made of sustainable and recyclable steel enamel. The whirl jets fit perfectly into the elegant overall picture thanks to their uniform colour scheme.

A STRESSFUL DAY AT WORK OR WITH THE FAMILY COMES TO AN END. THE PLEASANT SOUND OF SPARKLING WATER. THE WARMTH THAT ENVELOPS YOUR WHOLE BODY. A FULL BODY MASSAGE THAT RELAXES THE MUSCLES. THE FASCINATING PLAY BETWEEN WATER, AIR AND LIGHT. TREAT YOURSELF TO A SPA AND WELLNESS AT HOME. WITH KALDEWEI YOU CAN TURN YOUR BATHROOM INTO A WELLNESS BATHROOM.

Powerful jets of water loosen muscles, tendons and joints, while sparkling, preheated air bubbles stimulate the skin. The focus is on personal enjoyment: The whirl program can be individually adjusted with the addition of water and air. In this way the beneficial effect arrives exactly where it is needed. The side nozzles can be individually aligned to the body, special nozzles specifically treat the back and feet. On request, the side and floor nozzles can be selected separately and be adjusted in their intensity. Forget the hustle and bustle of everyday life and immerse yourself in the relaxing power of air and water.

The nozzles for air and water massage from BODY & SOUL fit elegantly into the bathtub made of high-quality steel enamel and are always hygienic thanks to the integrated automatic cleaning program. In this way, the relaxation is maintained, even after the whirl experience has finished.

The KALDEWEI BODY & SOUL wellness system combines the elements of water and air for the perfect massage experience.

Leave the stress of everyday life behind: The KALDEWEI SOUL wellness system ensures relaxation and inner peace with its bubbling air flow.

The sparkling, preheated air bubbles ensure a gentle, soothing skin massage. The gentle caressing of the air stimulates the nerve fibre ends of the skin. This produces the unique feeling of floating weightlessly in the water.

The particularly flat and efficient floor nozzles of the SOUL air system fit elegantly into the bathtub made of high-quality steel enamel and are always hygienic thanks to the integrated, automatic cleaning program and the blow-dry system. In this way, the relaxation is maintained, even after the whirl experience has finished.

New energy with the power of water: The KALDEWEI FULL BODY wellness system pampers you with an intensive massage using powerful water jets.

Whether after working hard or a demanding work-out – the massage relieves tension, loosens the connective tissue and promotes blood circulation in the body. The water jets are enriched with air and work deep into the skin. This ensures an intense feeling of well-being. For individual enjoyment, the side jets can be aimed directly at different parts of the body. In addition, special nozzles treat the back and feet in a targeted manner. The intensity of the massage can be adjusted individually.

The nozzles for the water massage of FULL BODY fit elegantly into the bathtub made of high-quality steel enamel and are always hygienic thanks to the integrated, automatic cleaning program. In this way, the relaxation is maintained, even after the whirl experience has finished.
