DELTA - Somerset

## DELTA (Group 1)

The Delta Value Line combines affordability with quality. The slab door design brings a touch of modern elegance to any space, while the solid and wood grain look gives you the aesthetic appeal of natural wood without the cost. Built with a  $\frac{3}{4}$ " engineered wood core and Thermofused Laminate (TFL), this product ensures durability and longevity.

Perfect White

Somerset

Licorice

SIERRA - Breezewood

## SIERRA (Group 2)

Featuring a textured wood grain look, this door adds depth and character to any room. The Thermofused Laminate (TFL) surface is not only visually appealing but also durable. Its  $\frac{3}{4}$ " engineered wood core provides the ideal stability for long-term use.

Breezewood

Venetian

Carmel

SANTA FE - Cinnamon

## SANTA FE (Group 2)

Santa Fe is a beautifully crafted DuraTek™ slab door and drawer front designed in solid colors or a textured wood grain. More than just a pretty face, it offers unmatched durability with its scratch-resistant vinyl finish. Its superior coating keeps it impeccably clean and resists fingerprints, creating a pristine look that really lasts.

Color options on next page

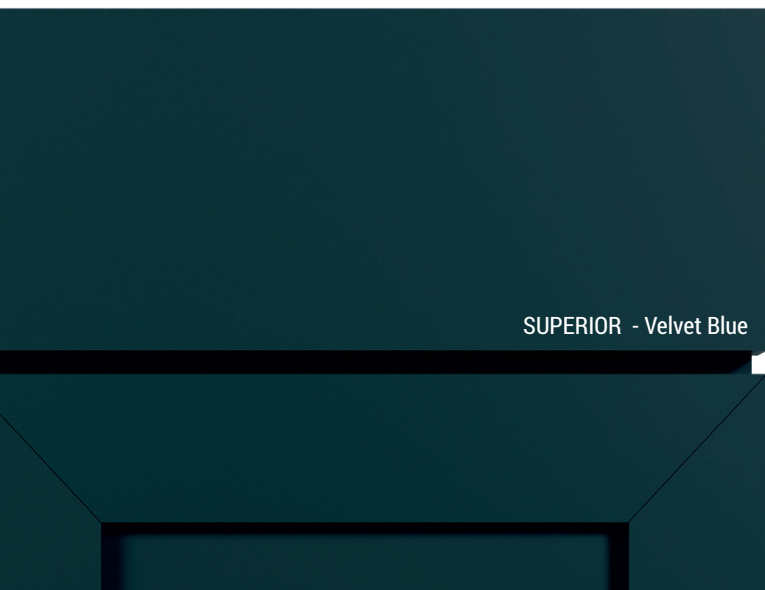

YOSEMITE - Natural Oak

## YOSEMITE (Group 3)

Yosemite is a DuraTek™ Shaker door with 2 ½" rail width that combines classic elegance with modern durability. Available in solid color or a textured wood grain, the fully sealed design with a superior coating offers excellent scratch resistance and resists fingerprints. It's ideal for those who appreciate timeless design with low maintenance.

## SUPERIOR (Group 3)

Superior is a DuraTek™ Shaker door with 2 ½" rail width constructed with a 45° mitered joint that combines classic elegance with modern durability. Available in solid color or a textured wood grain, the fully sealed design with a superior coating offers excellent scratch resistance and resists fingerprints. It's ideal for those who appreciate timeless design with low maintenance.

SUPERIOR - Velvet Blue
