Pietred'Arredo®
naturalmente ricostruite

"Io sono me più il mio ambiente e se non preservo quest'ultimo non preservo me stesso."

- José Ortega Y Gasset -

COLMEF si impegna ogni giorno a rispettare e proteggere il nostro pianeta, compiendo scelte ecosostenibili su materiali e processi produttivi.

FSC® - Forest Stewardship Council®. Associazione che promuove in tutto il mondo una gestione responsabile delle foreste dal punto di vista ambientale, sociale ed economico. Il marchio FSC® MISTO una garanzia che la cellulosa contenuta nella carta impiegata, proviene da foreste gestite in modo responsabile.

La tecnica di stampa PREMIUM COLOR PRINT usa inchiostri a base vegetale che rendono questo prodotto riciclabile a fine vita.

OUR PHILOSOPHY

COLMEF, with its 40 years of experience in the area of special products for the building industry, is one of the few companies worldwide that implements autonomously all stages of the production chain, from the selection of the stone for the realization of dies and moulds, up to the production of the stone itself, of the adhesives, of the grouts and of all the products required for the treatment. Through the brand Pietre d'Arredo, COLMEF supports the mission of Green Building Council Italia, demonstrating continued commitment to developing products and systems for environmental protection.

LA NOSTRA FILOSOFIA

Colmef, con i suoi 40 anni di esperienza nel settore dei prodotti per l'edilizia, è una delle poche aziende al mondo che implementa in autonomia tutte le fasi della filiera produttiva: dalla selezione della pietra per la realizzazione delle matrici e degli stampi, fino alla produzione della pietra stessa, degli adesivi e degli stucchi. Colmef attraverso il brand Pietre d'Arredo sostiene la mission di Green Building Council Italia, a dimostrazione del continuo impegno a sviluppare sistemi e prodotti che contribuiscono al rispetto dell'ambiente.

UNSERE PHILOSOPHIE

COLMEF, mit seinen 40 Jahren Erfahrung im Bereich der Spezialprodukte für die Bauindustrie, ist eines der wenigen Unternehmen weltweit, das selbstständig alle Stufen der Produktionskette implementiert, von der Auswahl des Steins für die Realisierung von Matrizen und Formen, bis zur Herstellung des Steins, der Klebstoffe, der Fugenmörteln und der notwendigen Produkte für die Behandlung. Durch die Marke Pietre d'Arredo unterstützt Colmef die Mission des Green Building Council Italia und stellt damit sein kontinuierliches Engagement für die Entwicklung von Systemen und Produkten im Zeichen des Umweltschutzes unter Beweis.

NOTRE PHILOSOPHIE

Colmef, avec ses 40 ans d'expérience dans le secteur des produits spéciaux pour le bâtiment, est parmi les rares entreprises au monde qui mettent en œuvre en autonomie toutes les phases de la filière productive, à partir de la sélection de la pierre pour la réalisation des matrices et des moules, jusqu'à la production de la pierre, des adhésifs, des joints et de tous produits nécessaires pour le traitement. À travers la marque Pietre d'Arredo, Colmef soutient la mission de Green Building Council Italia, prouvant ainsi son engagement continu dans le développement de systèmes et de produits qui contribuent au respect de l'environnement.

We care your breath. The reconstructed stone of Pietre d'Arredo has very VOC (volatile organic compounds) low emission.

Ci prendiamo cura del tuo respiro. La pietra ricostruita Pietre d'Arredo è a bassissima emissione di COV (composti organici volatili).

Wir lieben deinen Atem. Der rekonstruierte Stein ist mit sehr geringer VOC-Emission (flüchtige organische Trägerstoffe).

Nous prenons soin de votre souffle. La pierre reconstituée Pietre d'Arredo est à très faible émission de COV (composés organiques volatils).

PIETRA COMFORT

High security system for the installation of reconstructed stone and brick facings on external thermal insulation of buildings.

Sistema garantito per la posa di rivestimenti in pietra e mattoni ricostruiti su isolamenti termici esterni di edifici.

Hochwertiges System für die Verlegung von Wandbelägen aus Kunststein und Kunziegeln auf Thermoisolierungen bei Gebäudefronten.

Système offrant une garantie élevée pour la pose de revêtements en pierres et briques reconstituées sur isolations thermiques extérieures de bâtiments.

- ① Cementitious substrate
- ② Insulating panel
- ③ Mineral smoothing adhesive for the smoothing of insulating panels, with interposed fibreglass reinforcement
- ④ Mineral smoothing adhesive for insulating panels-2nd layer
- ⑤ ARREDOCILLA smoothing adhesive, with alkali-resistant interposed reinforcing mesh
ARMOFLEX 330
- ⑥ Mechanical fixing with anchors
ROCKET
- ⑦ ARREDOCILLA smoothing adhesive-2nd layer
- ⑧ PIETRE D'ARREDO
reconstructed stone facing, laid with ARREDOCILLA
- ⑨ ARREDOSTUCCO +
ARREDOLIGHT for the filling and the sealing of the joints between the coating elements

- ① Supporto cementizio
- ② Pannello termoisolante
- ③ Adesivo rasante minerale per la rasatura di pannelli termoisolanti, con interposta armatura in fibra di vetro
- ④ Adesivo rasante minerale per pannelli termoisolanti -2° strato
- ⑤ ARREDOCILLA adesivo rasante con interposta rete di armatura rinforzata alcaliresistente ARMOFLEX 330
- ⑥ Fissaggio meccanico con tasselli ROCKET
- ⑦ ARREDOCILLA adesivo rasante-2° strato
- ⑧ PIETRE D'ARREDO
rivestimento in pietra ricostruita posato con ARREDOCILLA
- ⑨ ARREDOSTUCCO +
ARREDOLIGHT per il riempimento e la sigillatura delle fughe tra gli elementi del rivestimento

- ① Betonbelag
- ② Dämmplatte
- ③ Mineralischer Putz-kleber für die Glättung von Dämmplatten mit eingebettetem Armiergebwe aus Glasfaser
- ④ Mineralisierter Putz-kleber für Dämmplatte-2. Schicht
- ⑤ ARREDOCILLA Putzkleber mit eingebettetem alkaliressistenten Stützgewebe ARMOFLEX 330
- ⑥ Mechanische Befestigung mit Dübeln ROCKET
- ⑦ ARREDOCILLA Putz-kleber -2.Schicht
- ⑧ PIETRE D'ARREDO
Wandbelang aus Kunststein mit ARREDOCILLA verlegt
- ⑨ ARREDOSTUCCO +
ARREDOLIGHT für die Füllung und die Versiegelung der Fugen zwischen den Elementen der Verkleidung

- ① Support béton
- ② Panneau isolant
- ③ Colle-enduit minérale de lissage pour le lissage de panneaux isolants, avec armature en fibre de verre interposée
- ④ Colle-enduit minérale de lissage pour panneaux isolants -2^{ème} couche
- ⑤ ARREDOCILLA colle-enduit de lissage avec une armature renforcée résistante aux alcalis ARMOFLEX 330
- ⑥ Fixage mécanique avec ancrage ROCKET
- ⑦ ARREDOCILLA colle-enduit de lissage-2^{ème} couche
- ⑧ PIETRE D'ARREDO parement en pierre reconstituée posé avec ARREDOCILLA
- ⑨ ARREDOSTUCCO + ARREDOLIGHT pour le remplissage et le scellage des joints entre les éléments du revêtement

Innovative system for the installation of reconstructed stone and brick facings on surfaces subject to capillary moisture rising.

Sistema tecnologico innovativo per la posa di rivestimenti in pietra e mattoni ricostruiti su superfici soggette alla risalita di umidità per capillarità.

Innovatives System für die Verlegung von Wandbelägen aus Kunststein und Kunziegeln auf Oberflächen, die feinverteilter Feuchtigkeit unterliegen.

Système innovant pour la pose de revêtements en pierres et briques reconstituées sur surfaces sujettes à la remontée d'humidité par capillarité.

- ① Cementitious substrate
- ② Vento "L"
- ③ Air plast
- ④ Galvanized mesh
- ⑤ Anchor bolts
- ⑥ ARREDOCILLA
