## FREEDOM ADA COMMERCIAL SHOWERS

Freedom ADA-compliant showers offer a reliable solution for meeting bathroom accessibility codes.

- Available in Transfer (36" x 36" Inside Dimensions), Roll In (min 60" x 30 Inside Dimensions), Tub Showers and ANSI B shower stalls and pans
- Pre-levelled and strengthened bases for easy installation, with reinforced walls to support grab bars and accessories

- Freedom Showers are available in one piece configurations for new construction as well as multi-piece models for remodeling
- All Shower units are also offered as a single pan option to fit your design and project preferences
- ADA compliant accessories can be factory installed on 1 and 3 piece showers, and will be shipped loose on 4 and 5 piece showers
- Durable and easy to clean applied acrylic
- Low Cost, High Quality

MODEL: APFQ3838BF1PRRF

## ADA TRANSFER SHOWERS

Transfer stalls have a barrier free entry for wheelchair accessibility and 36" x 36" absolute inside dimensions to meet ADA specifications and ADAAG Guidelines.
