**Activar Construction Products Group, Inc. manufactures products for the commercial construction industry under the brands: JL Industries, Air Louvers, Maxam Metal Products, Cato Products and Dur-Red.**

**JL INDUSTRIES**

Since 1947, JL Industries has been designing, testing, and manufacturing quality products including fire protection and life safety products. Other products added over 75 years include rated and nonrated access panels, floor doors, corner guards, entrance mats and gratings as well as roof hatches and rooftop pipe supports.

**CATO**

Cato has been providing quality US-made products since 1984. Based in Orlando Florida, Cato is best known for manufacturing a complete line of plastic fire extinguisher cabinets and plastic protective covers for alarms.

**MAXAM  
METAL PRODUCTS**

Since 1970, Maxam Metal Products has been a trusted and reliable name in the industry. Maxam is known for temp rise fire-rated floor doors, and the largest sizes of fire-rated wall and ceiling access panels. We also offer non-fire-rated access panels and floor doors, roof hatches and hatch safety railings. Maxam Metal Products is our Canadian brand and can be purchased in the US under the JL Industries brand.

**DUR-RED PRODUCTS**

Dur-Red started as a family-run business in California that has been in operation since 1960. We have expanded and added to our offerings over the years, continuously developing new products. That legacy of innovation continues to this day by providing you a consistently superior product. Products include equipment hatches, roof hatches, hatch safety railings, skylights, and smoke vents.

**AIR LOUVERS**

Air Louvers has been a quality manufacturer of louvers and vision lites for the door industry for over 57 years. Our reputation is built on quality products, great service and is supported by a network of knowledgeable manufacturers' representatives. We also offer a wide range of fire and safety-rated glass options, specialty glass, door edges and astragals plus a line of privacy options for vision frames.
