

QBUS - comprehensive storage for innovative offices

The QBUS series fulfils storage needs both large and small. Regardless of whether you need bookshelves, cabinets, mobile pedestals or another type of storage, you can put together a completely unique and customised solution for the workplace with QBUS.

The modular storage series is designed to fit together seamlessly side by side and has a timeless look that works in any room. Create an organised and uniform workplace, from entrance to reception, conference room and office, and expand your storage as the company grows!

Complete solutions

For those who want a complete solution, we have developed a range of ready-to-go products, which are delivered with a base frame and handles included. Locks are also included for lockable doors. The entire QBUS series is delivered flat-packed with the exception of sliding door cabinets, mobile pedestals and side cabinets. The QBUS range is tested and approved to EN 16121.

Bookcases & cabinets

QBUS practical bookcases and cabinets are perfect for general storage of everything from books and binders to office supplies and other items to which you want easy access. Add extra shelves, base frame, leg frame or wheels for a mobile storage solution!

The cabinets are available with single or double doors that open outwards or with space-saving sliding doors for convenient hidden storage. Complete the cabinet by adding any handle and base frame. The sliding doors are delivered complete with locks.

Colour choices

Frame, door & base frame

The storage furniture is made of wood with durable laminate surfaces. Laminate is a very durable and scratch-resistant material that is easy to look after. The laminate is available in several different colours: white, light grey, birch and oak.

Wooden leg frame

The QBUS wooden leg stand has slightly angled legs that create a dynamic and stylish impression in the room. The leg stand is available in white-glazed or grey-glazed wood.

White-glazed

Grey-glazed

Handle

The QBUS handles are made of powder-coated steel and are available in several different colours. The powder coating provides a tough and wear-resistant surface, which is perfect for furniture that is used daily.
