What's behind?

Sostenibilità . Comfort . Design

La missione di Slalom è quella di partecipare attraverso materiali dalle altissime qualità innovative e tecniche alla creazione di un ambiente sano, dal comfort acustico eccezionale e progettato su misura per le persone. Lo fa attraverso l'impegno per la protezione dell'ambiente e della salute dell'uomo, sviluppando un'ampia gamma di prodotti e soluzioni tailor-made investendo costantemente in funzionalità, durabilità e riciclo.

Sustainability . Comfort . Design

An important mission for Slalom, in compliance with the surrounding environment and people's health. The commitment to protect the environment and human health is a priority in our path to sustainability. Slalom develops its range from the idea that each product has use, durability and recycling as its key. Slalom develops its range from the idea that each product has use, durability and recycling as its key.
