

# EasyScreenDesign

## Design your own patient privacy screen

EasyScreenDesign is Silentia's new, online configurator that helps you create exactly the privacy screen you need for your healthcare setting. Pick the type of screen, installation, size and design, then send them directly to us. It's that easy.

**EasyScreenDesign™**

Design now at [Silentia.us](https://www.silentia.us)  
or [EasyScreenDesign.com](https://www.EasyScreenDesign.com)

### Design your screen

- **SCREEN TYPE** Choose the screen type that best fits your healthcare situation.
- **INSTALLATION** You can install your privacy screen on the wall, control panel or on the floor, all with safe and secure mountings, or make it mobile on a trolley.
- **LENGTH & HEIGHT** We have a wide range of lengths and heights you can choose from.
- **SCREEN DESIGN** Get creative and test the different colors, patterns and photos.
- **SETTINGS** Toggle screen measurements, different furniture views, and a folded or unfolded screen.
- **SPECIFICATIONS** See all product info for your screen design in real time.
- **INFO** Important facts for each of your screen designs.
- **SHARE** Share your screen design with a colleague.
