# Flexi Lounge

Design by Orlandini Design

Minimalist design, exceptional comfort. Designed by Orlandini Design, the new Flexi Lounge chair features a soft polyurethane foam shell that keeps you comfortable even when you're seated for an extended time. Choose from eight powder-coated base finishes and a wide range of upholstery fabrics for a sleek monochrome look or a bold contrast.

Flexi Lounge is produced entirely in-house with professional upholstery options to extend its life or tailor it to your style.
