

HAGS[®]

A young girl with blonde hair, wearing a grey sweater and dark pants, is climbing a wooden ramp on a red playground structure. She is leaning forward, reaching up. Below her, another child in a red hoodie is also on the ramp, looking up. The background shows a blurred green canopy and trees, suggesting an outdoor playground setting.

AUTUMN COLLECTION

Supply only products · Amazing prices · Delivered on time

Chosen by us, FOR YOU!

The leaves are changing, the air is getting crisp, and our autumn campaign is in full swing!

It's more important than ever to create healthy outdoor environments where everyone can play, meet, exercise, and socialize. Our brand promise, "inspiring all generations," reflects our deep care and commitment to sustainability.

In our mission to create active and sustainable outdoor spaces, we aim to manufacture and deliver products in the most efficient and responsible way possible, benefiting both people and the environment throughout the entire process. Our planet demands that we take strong action— together.

We design products that support a circular economy

Our sustainability principles stem from our long-held belief in integrating nature and the great outdoors with everyday life. Our products are designed to last for many years and are easy to maintain, so you have less need to replace equipment in your outdoor area.

- Flexible and modular design
- Sustainable
- Carefully selected materials
- Packaging materials consisting largely of recycled material

UNIMINI

Essentials

The UniMini Essentials range offers budget-friendly toddler multi-play units designed for affordability without sacrificing quality. These units utilize lower-cost components and clever design to minimize both installation and surfacing costs due to their lower fall heights.

The range is crafted to provide great play value, enabling children aged 2 to 5 years to engage in activities like crawling, sliding, climbing, and imaginative play.

UNIPLAY

Essentials

The UniPlay Essentials playground range offers cost-effective play units tailored for children aged 5 to 12 years, balancing affordability with great quality. These units use economical components and smart design strategies to reduce installation and surfacing costs, thanks to their modest fall heights.

The UniPlay Essentials are ideal for communities seeking durable, fun, and adaptable playground solutions that cater to the adventurous and developmental needs of older children.

CLIMBING NETS

Our range of climbing nets are designed to enhance any playground environment, and would fit into a schoolyard, preschool or community park. As children climb and conquer the nets, they develop a sense of achievement and boost their self-esteem.

This active play promotes social interactions and builds confident, engaged children, making our climbing nets a valuable addition to recreational spaces.
