TRANSFORM YOUR WALLS INTO DRY ERASE SURFACES

Simple Functionality on Any Color Surface

MARKERBOARD®

MarkerBoard® is a water-based paint that will transform just about any surface into a dry-erase surface. It is a fantastic alternative to traditional white boards, which can be bulky, and very expensive. With Colortek® MarkerBoard®, you can blend your dry-erase surface in your environment by utilizing it on walls, tables, spaces or large areas.

كولورتك MarkerBoard® هو طلاء شفاف مائي مكون من مركبين، عندما يتم مزجه وتطبيقه بشكل صحيح على أي جدار أو مسطح سيحوّل هذا الجدار أو المسطح الى مكان يمكن الكتابة عليه ومن ثم محو الكتابة أكثر من مرة. انه بديل رائع للألواح البيضاء التقليدية الكبيرة والمكلفة. من فوائد استخدام هذا الطلاء انه يمكن تطبيقه على حائط المكتب بمساحات كبيرة وبأقل كلفة بعكس الألواح المخصصة للكتابة.

FINISHING

Transparent formula for wide open color possibilities.

EASY WIPE

Provides a high-performance dry erase surface that wipes easily.

EASY TO APPLY

Application is simply done by brush, roller or spray.

READY IN 3 DAYS

Begin writing on your surface with colored dry erase markers.

FORMULATION

MarkerBoard® is a water-based, paint with low VOC

USED FOR

Meeting rooms
Office walls
Classrooms
Tables and desks
Children's rooms
Retail spaces

TRANSFORM YOUR WALLS INTO CHALKBOARD SURFACES

Fun Writing on The Wall

CHALKBOARD®

Colortek® ChalkBoard® is a water-based paint that allows you to create a matt, non-reflective blackboard area on any smooth, non-porous surface, including drywall, wood, plaster and metal. Hard-wearing and easy to clean, simply paint onto the substrate to make a design statement and to create a fun space you can use for noticeboards, calendars, menus and much more.

كولورتك® Chalkboard® هو طلاء مائي ناشف يستخدم على الحائط و يمكن الكتابة عليه بالطباشير ومن ثم محو الكتابة. هو سهل الإستعمال، يمكن طلائه لخلق مساحة متعددة الاستعمالات. متوفر في لونين أساسيين هما الأسود والأخضر بالإضافة إلى اللون الشفاف «tintable base» التي يمكن تلوينه حسب الطلب.
