

Travertino

Travertine-Look Decorative Coating

Naturalness That Inspires Interior and Exterior Spaces

Travertino is a mineral-based decorative coating with natural ingredients, suitable for both interior and exterior applications. It brings the look of travertine to any surface, infusing living spaces with the warmth and elegance of natural stone. Whether used inside or outside, Travertino adds a stylish and inviting atmosphere.

Notable for its durability and aesthetic appeal, Travertino becomes an ideal choice for those seeking a natural stone finish in various textures and colors—especially when combined with San Deco's diverse Decorative Topcoat Products and unique Stencil collections.
