MAKING SPACES

Image Catalogue

## CHOOSING YOUR DESIGN

The image catalogue contains a variety of designs to help you create your space. Whatever your environment, our team will guide you through the process of choosing complementary images. Please choose your images using the codes in the corner of the images displayed and refer these back to your representative.

Then number of images you can choose will vary depending on the product you have chosen. Please refer to the table below to check how any images you need to select for your products.

Product	Panels	Dimensions of Printed Images
Pro	1x double-sided	3005 x 1540 mm
Air	1x double-sided	3005 x 1540 mm
Duo	2x double-sided	3005 x 1540 mm

## CHOOSING YOUR PANEL

Your design can be printed onto either a semi-transparent, frosted or opaque panels. Semi-transparent and frosted screens are a good option for when visual monitoring is necessary, and opaque is perfect for privacy. Please let your representative know your preference of panel.

For any queries regarding image choices, please get in touch with our customer support team at: [support@kwickscreen.com](mailto:support@kwickscreen.com)
