PRODUCT GUIDE

THE SYLVANIX ADVANTAGE

Enjoy the beauty of natural wood with the enhanced benefits and superior performance of Sylvanix decking and cladding.

EFFORTLESS MAINTENANCE

Simply clean and enjoy—no special treatments required

SPLINTER-FREE & CRACK-RESISTANT

Safe, smooth, and comfortable underfoot—no sharp edges or rough spots

NO CUPPING OR CROWNING

Designed to stay flat and stable for a flawless, even surface

ROT, MOLD, AND MILDEW RESISTANT

Built to withstand moisture and harsh conditions without deterioration

ZERO PAINTING, SANDING, OR STAINING

Enjoy the beauty of wood without the tedious upkeep

FADE & STAIN-RESISTANT TECHNOLOGY

Vibrant color and pristine appearance that stand the test of time

INSECT-PROOF

Impervious to termites and pests, ensuring a worry-free investment

360° ENCAPSULATED PROTECTION

Complete all-around shielding for superior durability and long-lasting performance

BUILDING A GREENER FUTURE

At Sylvanix, we are dedicated to developing innovative, eco-friendly composite materials that promote sustainability without compromising on quality or performance. Our commitment to protecting natural resources drives every step of our manufacturing process. That's why our products are:

MADE WITH 90% RECYCLED CONTENT

Reducing waste for a more sustainable future

FREE FROM HARMFUL CHEMICALS AND VOCS

Safe for you and the environment

CRAFTED WITHOUT VIRGIN TIMBER

Protecting forests and natural resources

COMPOSED OF POST-CONSUMER RECYCLED PLASTIC AND EUCALYPTUS WOOD FIBER

Repurposing materials for a greener planet

PRODUCED USING A WATER-AND ENERGY-CONSERVING CLOSED-LOOP PROCESS

Minimizing environmental impact through sustainable production

ELITECOLLECTION™

Elite Collection decking features dual-colored, reversible boards in five nature-inspired grey and brown combinations. With embossed wood grain on both sides, they offer an authentic look and a natural feel underfoot. Durable and low-maintenance, this eco-friendly alternative to hardwood is perfect for those seeking style and sustainability.

10 STUNNING COLORS

Across 5 dual-toned boards for versatile design options

ECO-FRIENDLY CHOICE

Made with 90% recycled materials

REVERSIBLE BOARDS

Offer two rich, multi-tonal hues in one plank

AUTHENTIC WOOD AESTHETIC

With deep, natural grain texture on both sides

HASSLE-FREE MAINTENANCE

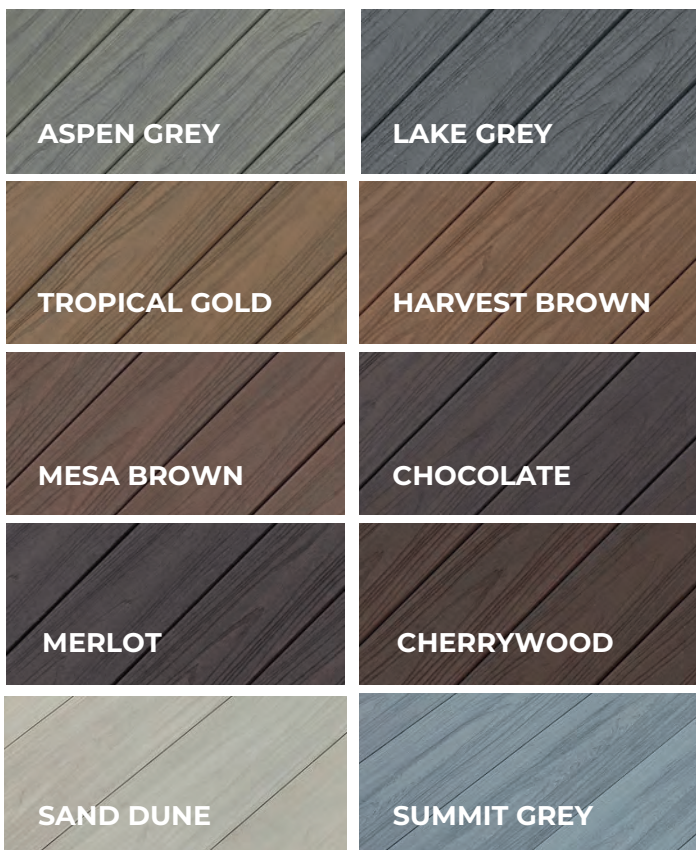

No painting, staining, or sealing required

BRUSHED FINISH

Enhances traction and minimizes sheen for a refined look

360° PROTECTION

For unmatched durability and all-weather performance

ELITE COLLECTION GROOVED

12' 5.24" X 0.94"

16' 5.24" X 0.94"

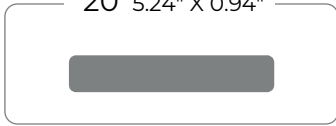

20' 5.24" X 0.94"

ELITE COLLECTION SQUARE EDGE

20' 5.24" X 0.94"

12' Riser 7.24" X 0.71"

22' Fascia 11.25" X 0.71"

Square edge boards are separate from riser and fascia. Riser and fascia boards are packaged 48 per pallet. Grooved boards and 20' square edge boards are packaged 56 per pallet.

Also available in a WUI approved version meeting Wildland Urban Interface (WUI) Building Materials requirements set by the California Office of the State Fire Marshal (OSFM).

*Please note that our Elite Square Edge Board is available in only one color option, it is not dual colored. The Elite Square Edge Board is reversible but has a different texture on each side of the board. Wire brushed wood grain on one side, wire brushed smooth on the other. Additionally, Risers and Fascia are available in only one color option and are not reversible as only one side is finished with the wire brushed wood grain pattern.

SKYLINE SERIES™

Whether you're creating an urban escape, a rooftop oasis, or a rustic retreat, Skyline Series decking offers versatile options to suit any design aesthetic. The Architectural Finish pairs seamlessly with clean lines and understated style, blending harmoniously with any space. For added functionality, the Traditional Finish features embossed linear grooves, providing enhanced anti-slip protection and a fresh, modern look—perfect for marina docks, outdoor living spaces, and beyond. With Skyline Series, there are no limits to your creativity.

UNMATCHED STRENGTH & DURABILITY

High-density board engineered for superior performance and minimal deflection

MAXIMUM SAFETY & GRIP

Advanced anti-slip finish ensures secure footing in all conditions

ECO-FRIENDLY & SUSTAINABLE

Made with 90% recycled content, reducing waste without compromising quality.

TWO SYLISH LOOKS IN ONE

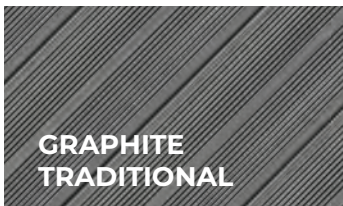

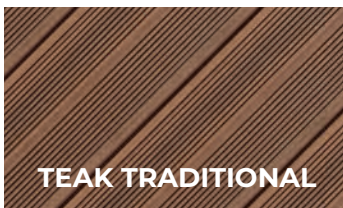

Reversible boards feature two distinct embossed finishes for versatile design options

AUTHENTIC WOOD AESTHETIC

No painting or staining required—just install and enjoy

360° PROTECTION FOR PEAK PERFORMANCE

Fully encapsulated for unmatched durability, moisture resistance, and longevity

SKYLINE SERIES GROOVED

12' 5.31" X 0.94"

16' 5.31" X 0.94"

20' 5.31" X 0.94"

SKYLINES SERIES SQUARE EDGE

20' 5.31" X 0.94"

12' Riser 7.24" X 0.71"

22' Fascia 11.26" X 0.71"

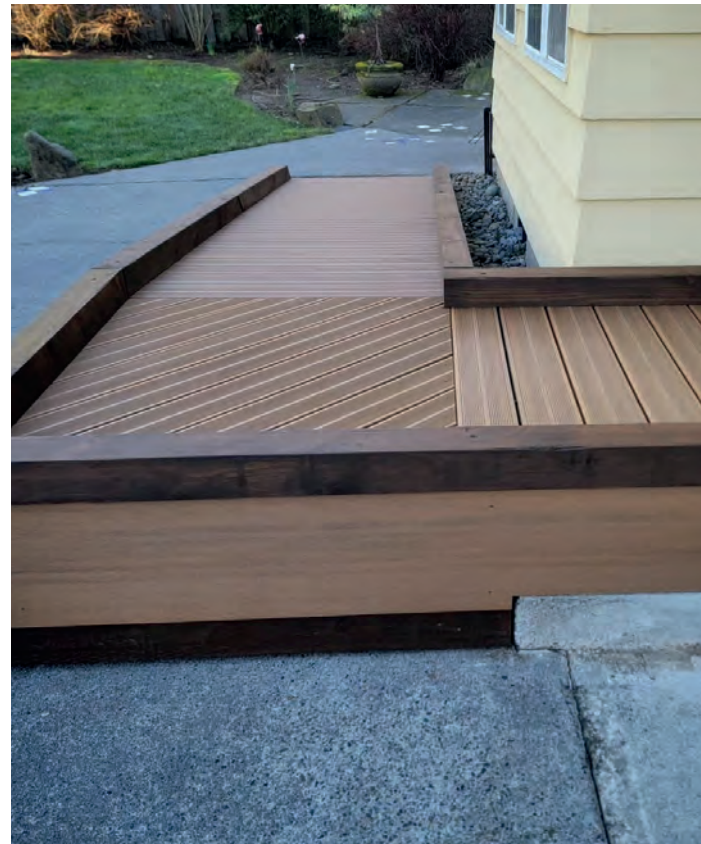

Square edge boards are separate from riser and fascia.
Riser and fascia boards are packaged 48 per pallet. Grooved boards and 20' square edge boards are packaged 56 per pallet.

Also available in a WUI approved version meeting Wildland Urban Interface (WUI) Building Materials requirements set by the California Office of the State Fire Marshal (OSFM).

*Please note that our Risers and Fascia are available in only one color option and are not reversible as the wire brush finish is applied to only one side of these boards.

DESTINATIONS™

A Destinations Deck is more than just a deck—it's your personal retreat. Thoughtfully crafted to blend beauty and durability, it transforms any outdoor space into a sanctuary for relaxation, connection, and lasting memories. Stop imagining the perfect escape and start creating it. With Destinations Decking, you can design an inviting, low-maintenance haven for year-round enjoyment. Elevate your outdoor living experience today.

AUTHENTIC WOOD LOOK & FEEL

Realistic finish mimics natural wood for a premium aesthetic

360° PROTECTION

Fully encapsulated for ultimate resistance against moisture, rot, and wear

UNMATCHED STRENGTH & DURABILITY

Engineered for superior performance in any environment

UNIQUE, NATURAL APPEAL

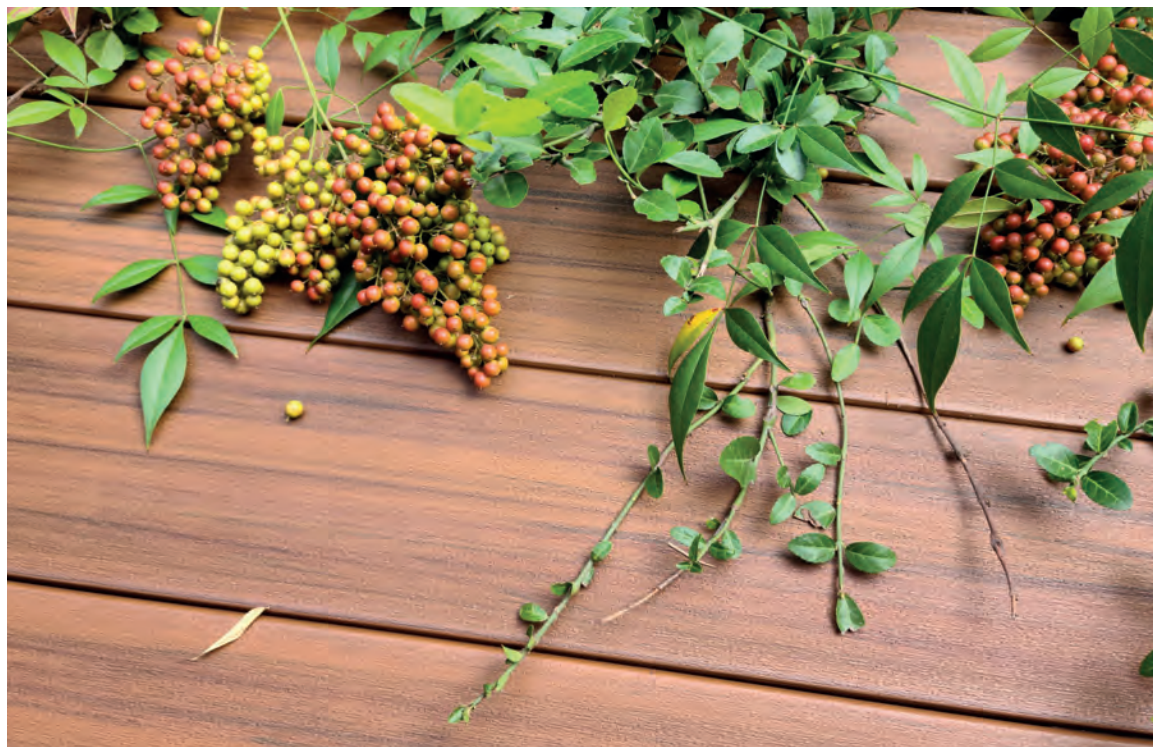

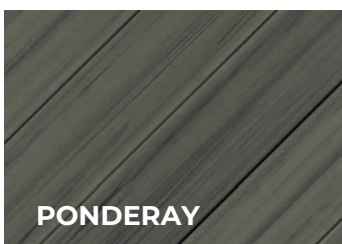

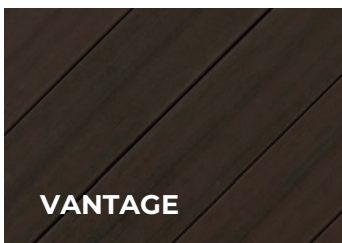

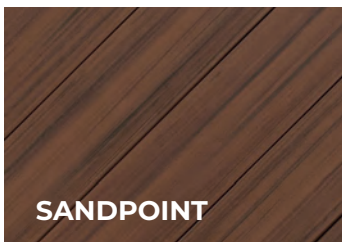

No repeat grain patterns, ensuring a one-of-a-kind look for every board

LIGHTWEIGHT & STRONG

Innovative scalloped profile for easy handling without sacrificing strength

VIBRANT, RICH COLORS

Stunning hues with dynamic streaking for a natural, high-end appearance

DESTINATIONS GROOVED

12' 5.24" X 0.94"

16' 5.24" X 0.94"

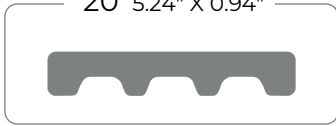

20' 5.24" X 0.94"

DESTINATIONS SQUARE EDGE

20' 5.24" X 0.94"

12' Riser 7.24" X 0.71"

22' Fascia 11.25" X 0.71"

Square edge boards are separate from riser and fascia.

Also available in a WUI approved version meeting Wildland Urban Interface (WUI) Building Materials requirements set by the California Office of the State Fire Marshal (OSFM).

*Please note that the finish on the square edge, riser, and fascia boards is applied exclusively to one side of these board

ELEMENTS™

Upgrade your outdoor space without breaking the bank! Elements Decking delivers the perfect balance of style, durability, and affordability. Designed for low-maintenance living, it saves you time and money while offering a sleek, modern look. Crafted from a proprietary blend of reclaimed eucalyptus wood and recycled plastic, Elements features a high-performance scalloped core with an added protective layer for enhanced durability and wear resistance. Whether you're entertaining or unwinding, Elements makes outdoor living effortless.

ECO-FRIENDLY & SAFE

Made with 90% recycled content and free from harmful chemicals or VOCs

DURABLE & SCRATCH-RESISTANT

Built to withstand heavy use without dents or damage

CARE & MAINTENANCE

WASHING

We recommend washing Sylvanix Products with soapy water and a soft-bristle brush. If you choose to use a power washer, please take proper safety precautions and follow the following instructions. Along with an appropriate cleaning product, you should ensure to spray in the direction of the grain of the boards and use a fan tip nozzle. At all times the nozzle should be held at a minimum of 6 inches above the surface of the product with a maximum force of 1500psi. Please note, the user assumes all responsibility for any damage caused by using a pressure washer.

DIRT & GRIME

Maintaining a clean, dry surface is the best method for combating dirt, grime and mildew build up, where a periodic cleaning is all that maybe required. Even though Sylvanix products are formulated to inhibit mildew growth and staining, mildew stains can occur where moisture and dirt or pollen is present.

SPOTS & STAINS

Many stains can be cleaned with soap or household degreasing agent and warm water. Scrub and soak the affected area as soon as the stain occurs to ensure best results, then rinse off with warm water. For more stubborn stains we recommend using a composite specific cleaner for more effective stain removal.

SCRAPES & SCRATCHES

Surface scratches and abrasions will fade after weathering. However, scrape and scratch marks can be eliminated by using a soft brass bristled brush. Simply brush in the direction of the grain on the product until the mark is gone.

SNOW REMOVAL

For snow removal, we recommend always using a plastic blade shovel so that you don't scratch your deck. To aid in the shovel not catching on board edges, try to shovel the snow in the same direction as your deck boards. For light dustings or fluffier snow, we suggest simply brushing it away with a broom. For melting snow, we recommend ice melt that is approved for use on concrete, such as Calcium Chloride or Magnesium Chloride.
