Altos

Altos Low Profile Recycle Centers are thoughtfully designed for multi-stream recycling and waste management, combining durability with a refined, low-profile form ideal for modern commercial interiors. At 28" high, this series maintains functionality while preserving clean sightlines in hospitality, office, and public environments.
Each unit is constructed using our seamless molded process, consisting of multiple layers of fiberglass. The exterior surface features a solid, ultra-violet stabilized pigmented polyester gel coat, available in over 75 nature-inspired finishes.

- Flat top lid design.
- 1 1/2" raised bottom protects unit when cleaning floors.
- Recycling decals with white or black text are available.
- Includes a separate plastic liner for each opening - Each Liner Has 12 Gallon Capacity
- Fade Resistant / UV Protection
- Commercial grade and can be used indoor or outdoor
- Available in all Standard Finishes
- Standard Openings Available: Cans 3.5" Diameter, Glass 5" Diameter, Trash 9" Diameter, Paper Slot 2.5" wide x 12" long

All pictures shown are for illustration of design only. For actual product size please see measurements.

Custom Color Options

FOR FIBERGLASS PLANTERS AND RECEPTACLES

At Allé Designs, we offer a range of custom color options to ensure your fiberglass planters and receptacles perfectly complement your design vision.

COLOR MATCHING:
If you have a specific color in mind—be it a RAL number, a paint code, or a physical color sample—we can match it to create a custom finish tailored to your project.

INSPIRATION FOR CUSTOM FINISHES:
For those seeking inspiration, we recommend exploring wall paint colors from reputable brands like Benjamin Moore. Their extensive online palette can provide ideas that align with your aesthetic preferences.

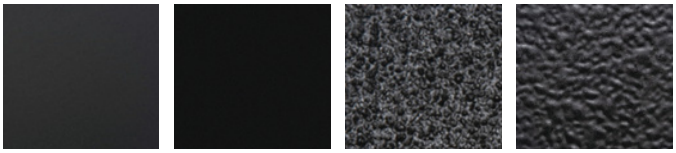

ONE-TIME CUSTOM COLOR FEE:
A one-time fee applies for the creation of your custom color. Once formulated, this color becomes part of our in-house library, ensuring no additional charges for its use in any future orders.

VISUAL APPROVAL:
Upon selection, we will provide a digital rendering of your chosen color and custom labels if applicable (for receptacles) applied to the product design. This allows you to visualize the final appearance and provide approval before production commences.

Allé Designs

PRODUCTS FOR INDOOR & OUTDOOR SPACES

ALLÉ DESIGNS was created over 40 years ago with the concept to offer simple, beautiful, and functional ancillary products for commercial office spaces. Our full range of products, that are used and enjoyed every day, have one commonality — a lasting aesthetic that transcends short-lived trends.

Allé Designs office accessories are comprised of a broad category that includes wastebaskets, desk & conference pads, waste & recycle receptacles, and commercial grade planters for both indoor and outdoor applications. Allé offers the widest variety of products and the largest selection of finishes to complement any project. Custom materials and products are our specialty!
