

FIBERGLASS DESIGNED TO SPEC. BUILT TO LAST. MADE IN AMERICA.

Suitable for Indoor & Outdoor Spaces

Made in the USA | On GSA Contract

Allé fiberglass products are proudly manufactured in the USA using premium marine-grade materials and pigments, ensuring exceptional durability and commercial-grade quality. Designed to withstand the rigors of daily use, fiberglass is dent-proof, non-corrosive, and leak-resistant. Our collection includes over 75 standard finishes, with additional options for custom color matching and bespoke capabilities to meet your specific needs.

FRESCO RECTILINEAR

The rectilinear shape not only exudes a modern aesthetic but also provides a structured elegance that complements a wide range of architectural styles and landscaping designs. Their clean lines and symmetry enable easy arrangement and flexibility, allowing for stunning arrangements, partitioning, and defining spaces in gardens, courtyards, or commercial spaces.

Our custom commercial-grade planters are tailored to your specific project requirements, ensuring a personalized solution. To initiate the process, please refer to the list of commonly chosen sizes on our website. Our dedicated team is ready to collaborate with you on your project, offering expert guidance and efficient communication throughout the selection process.

We believe in the power of design and its ability to influence and elevate the quality of public space. High-quality products and outstanding customer experience make us one of the nation's premier designers and manufacturers of commercial fiberglass products.

NOT ALL PLANTERS ARE CREATED EQUAL — DISCOVER THE STRENGTH AND CRAFTSMANSHIP OF ALLÉ

At Allé Designs, we take pride in crafting bespoke fiberglass planters that are meticulously handmade in the USA. Unlike mass-produced imports, our planters are engineered with marine-grade materials for superior structural integrity and durability. While imported planters may appear similar in photos, the difference lies in the craftsmanship, strength, and attention to detail that go into every Allé planter.

FRESCO ROUND

The round shape is not just a shape; it's a design statement. It brings a sense of balance, continuity, and softness to your landscape, making it the perfect choice to enhance various architectural styles and landscape designs. Our planters are a versatile tool for creating stunning focal points, framing pathways, or adding a touch of organic charm to commercial spaces.

Our custom commercial-grade planters are tailored to your specific project requirements, ensuring a personalized solution. To initiate the process, please refer to the list of commonly chosen sizes on our website. Our dedicated team is ready to collaborate with you on your project, offering expert guidance and efficient communication throughout the selection process.

ALLÉ DESIGNS was created over 40 years ago with the concept to offer simple, beautiful, and functional ancillary products for commercial office spaces. Our full range of products, that are used and enjoyed every day, have one commonality – a lasting aesthetic that transcends short-lived trends.

Allé Designs office accessories are comprised of a broad category that includes wastebaskets, desk & conference pads, waste & recycle receptacles, and commercial grade planters for both indoor and outdoor applications. Allé offers the widest variety of products and the largest selection of finishes to complement any project. Custom materials and products are our specialty!
