Case Systems, Inc.

2700 James Savage Rd, Midland, MI 48642 | 989.496.9510 | info@casesystems.com | casesystems.com

Company Profile and History

Case Systems began in 1948 as Normal Wood Products, a small, regional supplier in Midland, Michigan, and has since grown to become a nationally recognized casework manufacturer and market leader. In the mid-1990's the company was renamed Case Systems and is today a part of a group of six privately held companies. In 2003 Case Systems acquired a manufacturer of ergonomic workstations, BOSTONtec.
