RAUVISIO crystal Pure Collection

Elegance of simplicity

Pure like a grain of sand. The detail blends into the mass – calm and vision dominate the space. In RAUVISIO crystal Pure, minimalism meets durability. The material combination of the monochrome surfaces made of smart glass enables limitless possibilities for designing rooms. The pure harmony of the collection puts the focus on people and leaves space for what is important.

Advantages at a glance

More scratch- and break-resistant than real glass

Lighter than real glass

Easy to clean and anti-fingerprint finish

Processing with woodworking tools

Design flexibility through millings and backlighting

Perfectly matching tambour doors and edgeband
