Total Building Solutions

Zurn is a recognized leader in commercial, municipal, and industrial markets, delivering sustainable building solutions for new construction and retrofit applications.

At Zurn we are committed to providing smart solutions that save time and money. Our goal is serving the customer through innovation, continuous improvement, and assurance behind every installation.

Choose Zurn for a reliable, recognized manufacturer to supply your entire installation, from behind the wall rough-in, to finished trim product and fixture systems.

We're Solving Smarter

Our product offering includes items such as specification drainage products, manual and sensor operated flush valves, radiant heating systems, snow melt systems, linear drainage, backflow and fire protection systems, and much, much more.

This unique offering makes us one of the largest manufacturers of plumbing products and accessories in North America.

We have sales representatives in North America, Australia, the Middle East and the United Kingdom.

For additional product and sales representative information, visit us at zurn.com.

Drainage Solutions

Zurn leads the industry with product designs that exceed performance standards and provide patented solutions to save you time and money. Choose Zurn and ensure your waste water is properly managed with drainage products that meet or exceed compliance standards.

High Capacity Roof Drains

Siphonic Roof Drain Systems

Roof Drains

Stainless Steel Products

Retrofit Floor Sinks

Floor Drains with Labor Saving Solutions

Sanitary Floor Sinks with Stabilizer

Floor Cleanouts with Deck Stabilizer

Backwater Valves

Modular Trench Drain with Seepage Flange

Grease Interceptors

Oil Interceptors

Solids Interceptors

Wireless RF Level Monitor

Electronic Grease Interceptors

Lead-free Electronic Trap Primer

High Performance Water Closet Carriers

Bariatric Carriers

Lavatory Carriers

Wall Hung Urinal Carrier Banks

Water Hammer Arrestors, Heavy Duty Shock Absorbers

Lead-free Round Sleeve Wall Hydrants

Lead-free Ecolotrol Ceramic Disc Wall Hydrants

Lead-free Roof Hydrants

Access Covers

Chemical Drainage Solutions

Safely remove chemical wastewater and remain in compliance with Zurn chemical drainage solutions. Install with confidence from a wide range of products including under sink acid neutralization cartridges, neutralization tanks, drains, cleanouts, waste pipe and fittings manufactured from polypropylene (PP) and polyvinylidene fluoride (PVDF). Save installation time with Zurn's superior fusion lock and nut-with-seal mechanical joint connection applications.

Polypropylene and Polyvinylidene Fluoride Piping

Fusion Lock® Welder

Polyvinylidene Fluoride Fittings (PVDF)

Polypropylene Fittings (PP)

Traps (P, S, Bottle, Run)

Floor Drains

Under Sink Neutralization Cartridge

Neutralization Tanks

Dilution Tanks

Cleanouts

Mechanical Joint Components

Mechanical Joint Components

Mechanical Seals

Fusion Seals

Tools

Linear Drainage Systems

Zurn offers a wide array of linear drainage systems from luxury stainless steel shower drains to a complete customizable heavy duty solution for gray water and sediment separation.

Catch Basins

Polymer Trench

21" HDPE Trench

Utility Trench

2-1/2" HDPE Trench

6" HDPE Trench

Stainless Steel Trench

Stainless Steel Shower Drain

High Capacity Slotted Drains

Oil and Grease Separators

4" Slotted Drain

12" Polymer Trench

12" HDPE Trench

4-3/4" Shallow Trench

12" Stainless Steel Trench

Stainless Steel Slot Trench

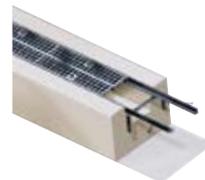

Decorative Slot Drain

Decorative Grates

Aluminum Trench

Frame and Grate

Water Control Systems

Zurn offers a broad range of Zurn Wilkins water control products that provide innovative solutions with the highest quality and lowest total cost of ownership for commercial, municipal, and industrial markets. Our product offering includes solutions for the plumbing, irrigation, waterworks, industrial, OEM, and fire protection markets.

Stainless Steel Double Check Assembly

Stainless Steel Double Check Detector Assembly

Stainless Steel Reduced Pressure Detector Assembly

Ductile Iron Double Check Assembly

Ductile Iron Reduced Pressure Principle Assembly

Ductile Iron Double Check Detector Assembly

"n" Pattern Double Check Detector Assembly

"n" Pattern Reduced Pressure Principle Assembly

Vertical Reduced Pressure Principle Assembly

1/2" - 2" Series 300 Backflow Preventers

1/2" - 2" Series 900 Backflow Preventers

AR Series Replacement Stainless Steel Double Check Detector Assembly Backflow Preventer

AR Series Replacement Assembly RP Stainless Steel Backflow Preventer

Plumbing

Automatic Control Valves

Fire Protection

Water Pressure Reducing Valves

Floor Control and Hose Valve Pressure Reducing

Strainers

In Building Riser

Thermal Expansion Tanks

Lead-free Thermostatic Mixing Valves

Water Hammer Arrestors

Dielectric Unions

Backflow Test Kit

Zurn One Systems®

Zurn One Systems combine Zurn flush valves and faucets with Zurn fixtures and are supported by carrier systems. These systems are packaged and shipped together to deliver a total fixture solution for commercial and institutional applications.

Toilet Systems

- Wall Mount
- Floor Mount
- Floor Mount ADA
- Tank Type
- Pressure Assist
- 1.1 gpf High Efficiency

Sensor Flush Valve Wall Bowl System with Carrier

Floor Mount Toilet with Manual Flush Valve

Floor Mount Toilet with Sensor Flush Valve

Urinal Systems

- Washout
- Siphon Jet
- 0.125 gpf
- 0.5 gpf High Efficiency

Low Flow Consumption Urinal System

Washout Urinal with Sensor Flush Valve

Siphon Jet Urinal with Manual Flush Valve

Lavatory Systems

- Vitreous China or Cast Iron on Select Models
- Wall Hung Carrier or Wall Hanger Lavatories
- Wheelchair ADA Compliant Lavatories
- Drop-in Lavatories
- Undermount Lavatories

Wall Hung Lavatory with Centerset Sensor Faucet

Wall Hung Lavatory with Centerset Faucet

Wall Hung Lavatory with Gooseneck Faucet

Specialty Systems

- Service Sinks
- Surgeon Sinks
- Clinical Sinks
- Floor Sinks

Siphon Jet Service Sink

Surgeon Sink

Cast Iron Service Sink

Flush Valves

The Zurn sensor and manual flush valve product line offers a complete selection of diaphragm, piston and specialty valves engineered to withstand the most demanding bathroom environments. Optional long life batteries and gear driven operation gives customers years of worry free service in residential, commercial, institutional, and industrial applications. GO Blue® TPE (Thermo Plastic Elastomer) materials provide advanced chemical resistance.

Diaphragm Battery-Powered Sensor Flush Valves

Long Life Piston Operated Sensor Flush Valves

Diaphragm Manual Flush Valves

Piston Operated Manual Flush Valves

Concealed Piezo Operated Flush Valve

Diaphragm Hardwired Sensor Flush Valves

Piston Operated Hardwired Sensor Flush Valves

AV Concealed Hardwired Automatic Sensor Flush Valves

Bedpan Washers

Battery Sensor Retrofit Kits

Tubular Brass Plumbing

Zurn provides a wide variety of commercial braided stainless steel supplies, brass traps, sink strainers, and stops.

Commercial Stop Kits with Risers

Semi-Cast P-Traps

Grid Strainers

P.O. and C.O. Plugs

Basket Strainers

ADA and Standard Grid Drains

Slip Nuts

Escutcheons

Commercial Stops

ADA Trap Protectors

Faucets and Shower Systems

Zurn manual and sensor operated faucets and shower systems deliver a wide variety of sleek designs that are durable and suitable for all applications. Zurn AquaSpec® ceramic disc cartridges provide a lifetime of durable performance for your commercial faucet applications.

Modular Sensor Faucets

Temperature Mixing Sensor Faucets

4" Centerset Sensor Faucets

Gooseneck Sensor Faucets

Hydro Generator Sensor Faucet

4" Centerset Faucets

Metering Faucets

Sierra Faucets

Single Control Faucets

Metering Mixing Faucets

4" Centerset Gooseneck Faucets

Widespread Faucets

Deck and Wall Mounted Spouts

Deck Mounted Kitchen Faucets

Wall Mounted Sink Faucets

Single Sink Faucets

Single Basin Faucets

Food Service Faucets

Bedpan and Hospital Fittings

Metering Valves

Gas Valves, Turrets, & Laboratory Fittings

Laboratory Faucets

Foot Pedal Valves

Knee Action Valves

Shower Valves

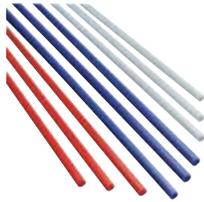

Stainless Steel Panel Shower Valves

Zurn PEX®

Zurn PEX offers a complete PEX solution for commercial and residential plumbing and radiant heating, from tubing and fittings, to a wide selection of manifolds, tools, and accessories for efficient installation. Zurn PEX offers plumbing and radiant heating design and software for your commercial and residential projects.

PEX Non-Barrier Tubing Coils

PEX Non-Barrier Straights

PEX Large Diameter Tubing

PEX Push Fittings

PEX XL Fittings

PEX CR Fittings

PEX CR Valves

Assembled and Unassembled Fittings

CR Multiport Tees

Copper Manifolds

Copper Crimp Rings, Copper Crimp Rings with Caps, and Stainless Steel Crimp Rings

Plumbing Manifolds

PEX Barrier Tubing

PEX hy-PE-RTube Barrier Tubing

PEX-AL-PEX Tubing

Radiant Stainless Steel Manifolds

Radiant Brass Manifolds

Baseboard Connections
