NATIVE WOODS

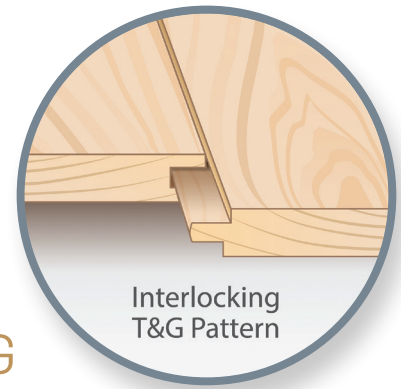

ALPINE

NATIVE WOODS

Bring nature's beauty home with UFP-Edge Native Woods. These tongue and groove wood boards will make a stunning impression on walls, ceilings and on select covered exterior applications like soffits and porches.

FEATURES

- V-groove or nickel gap reveal
- Prefinished to reveal native wood grain
- End-matched requires fewer cuts
- Perfect for interior walls and ceilings
- Use on select covered exterior application

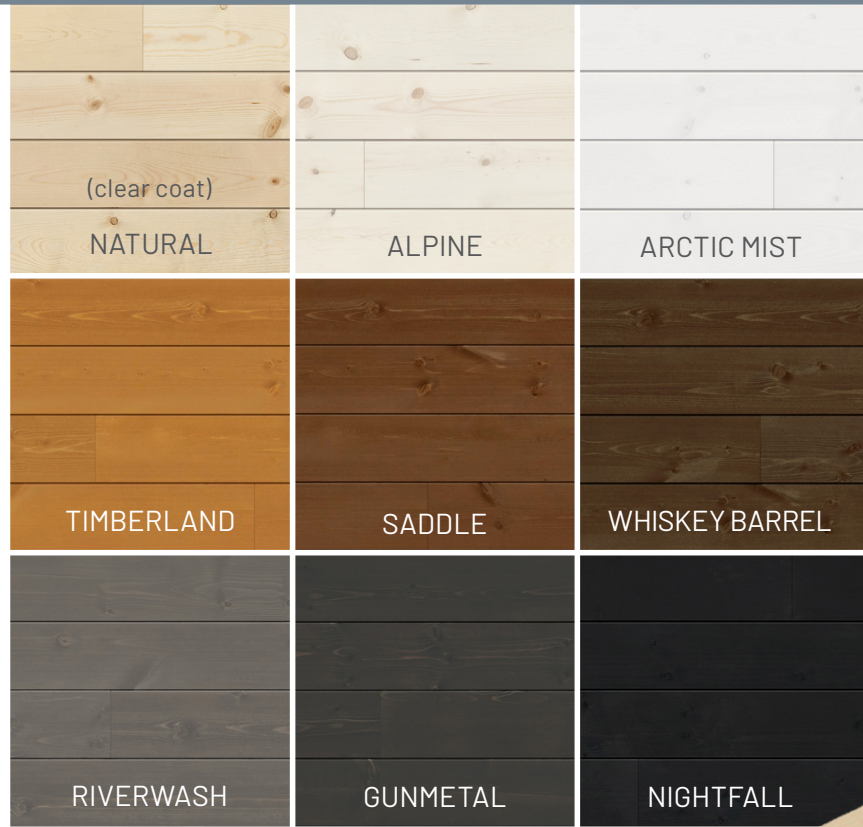

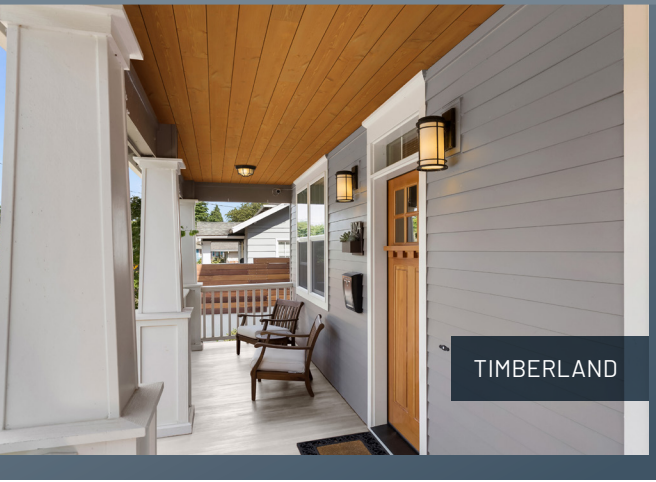

INTERLOCKING TONGUE & GROOVE

Interlocking board pattern allows for a consistent reveal and a secure installation with fewer exposed fasteners.

our Lookbook

NATURAL & COLORFUL

The inherent beauty of Native Woods is in the native knots and grain of the wood. Each board features a unique wood grain pattern beneath a smooth surface. Available in natural or colorful prefinished options, Native Woods lets you create a custom look in less time when compared to painting or staining at the jobsite.

AVAILABLE PROFILES

T&G Nickel Gap

T&G V-groove (special order)
